

Add eligibility to offer Cambridge programmes online

Centre number

Centre name

Please use this form if you wish to apply to offer Cambridge programmes online to students who would not normally attend your school's physical premises.

Summarise how your approach to teaching and learning, and use of technology, meets our quality standards for online provision.

Legal requirements

Do you have a data privacy policy in place? Yes No

Do you have an eSafety policy? Yes No

Do you make criminal and child protection checks on staff who will have online contact with students, as required by your government or state? Yes No

Learner numbers

Total number of students expected to be undertaking Cambridge programmes online between approval and the end of September following approval:

Total number of students expected to be enrolled in Cambridge programmes online in the October following approval (you will have an opportunity to update this figure in the September following approval):

Next steps

Once your form has been processed, we will organise a virtual approval visit. The approval visit is carried out by your local Cambridge International representative or by a specialist briefed about your school. They will look for evidence to show that you meet our criteria. We will charge the Programme Extension Fee for this service, as outlined on our Fees List.

Our guide *Becoming a Cambridge International School: A Guide to the Registration Process* tells you what we will be looking for during the approval visit and the type of evidence you need to prepare. If your answers demonstrate that you do not meet our criteria for offering programmes fully online, we will explain why and what you need to do before you apply again.

I confirm that I am authorised to submit this form on behalf of the Centre.

Job title

If you submit this form electronically, please tick the check box as an alternative to signing the form.

Returning this form

Return this form to info@cambridgeinternational.org. We will send you a response within three working days. In some cases, we may require additional information, or have to conduct a further inspection, to approve your application. Our inspection fees are in the fees list, available from the 'My Messages' section of Direct.
