

## Accessing your results

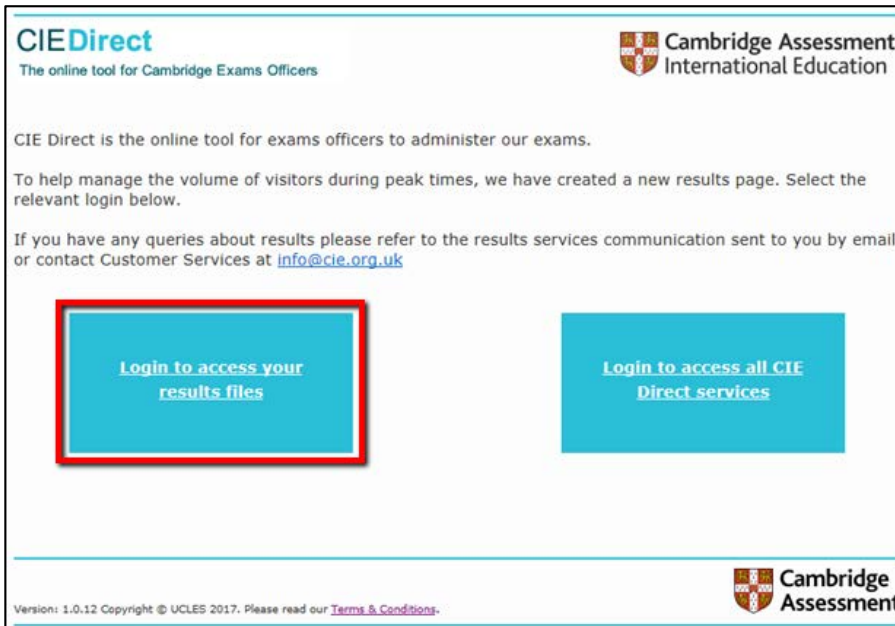

To help manage the volume of visitors to CIE Direct on the day results are released, the following provisional results files will be available from a separate results page:

- provisional results information for every candidate (PDF)
- provisional results for your centre in broadsheet format (PDF)
- provisional results for your centre in broadsheet format (Microsoft Excel).

If your centre is in the UK and you have access to the A2C Migration Application, your results will also be available through A2C.

### To access your results files on the day results are released:
