Resource Plus

Resource Plus is a collection of additional teaching and learning resources to support the delivery of key topics and skills across three of our Cambridge IGCSE science syllabuses: Biology (0610), Chemistry (0620) and Physics (0625). *Resource Plus* provides teaching support for the syllabus as a whole and also covers individual topics in depth. The materials are written by subject experts and focus on the specific experiments and practical skills required for each topic area.

For each syllabus, *Resource Plus* includes: Skills Packs, experiment videos, interactive example candidate responses, infographics, schemes of work, and a selection of past paper questions.
