

**Cambridge IGCSE (9-1) candidate grades June 2021**
**Cumulative world totals grades 9 - 1**

These figures may differ from those of previous June series. Mainly this is because of substantial differences in the profile of candidates entered.  
The awarding standard of exams in June 2021 was aligned to that of school-assessed grades and of equivalent qualifications taken in England.

We offer two different grade sets to report candidates' performance in a number of Cambridge IGCSE syllabuses for schools in administrative zone 3, and in UAE and Oman.  
The 9-1 syllabuses and corresponding examinations included in this document are identical to their equivalent A\*-G graded syllabuses.
