

# **Replacement certificate application**

Please complete this form in BLOCK CAPITALS. This form must only be completed by registered Cambridge International Schools and Cambridge Associates to apply for replacement certificates on behalf of candidates.

You must return original certificates to us with this form before we can send you a replacement. We will invoice you directly for any applicable fees, including compulsory courier despatch. We can only replace certificates within 18 months of the date they were issued to centres. After the deadline, or where a candidate has lost their original certificate, the candidate must apply for a <u>certifying statement</u> instead. At our discretion, we may replace a damaged certificate if the centre can return the original and include a photocopy of the candidate's valid ID. The centre should tell us immediately and explain how the damage occurred.

You can ask for small changes to candidate or centre details if the information printed on the candidate's certificate is incorrect. If you ask for a change to a candidate's details, you must also submit a photocopy of the candidate's valid ID from the time of the exam. We will reject requests to add or remove extra names and we will not amend a candidate's name to reflect any changes that took effect after the exam.

If you are applying for a replacement certificate due to a candidate's grade change, the 18-month deadline does not apply, and the replacement fee is not applicable. However, you must submit the original certificate with the enquiry about results outcome letter, or grade change letter.

General information about replacement certificates and deadlines for submitting applications can be found in the <u>Cambridge Handbook</u>. See page 2 of this form for information about our fees, acceptable candidate ID and how to return the necessary documents.
