Guidance for Common European Framework of Reference (CEFR)

This service is for candidates who have gained a result in a Cambridge English Language IGCSE or IGCSE (9-1) syllabus since 2011 and who need a student visa to study in the UK.

Candidates studying outside the UK can apply for a certifying statement for CEFR if their international centre needs a breakdown of the IGCSE English language results into CEFR levels.

We cannot provide a certifying statement for CEFR for English language syllabuses taken before 2011 or for other IGCSE language syllabuses. In addition, we cannot provide certifying statements for CEFR for June 2020, November 2020 or March 2021, as no speaking and listening tests were carried out in those series. We also cannot provide a certifying statement for CEFR to candidates who received school-assessed grades (SAGs) in the June 2021 series onwards, as the components grades were not assessed and cannot be reported.

For candidates applying to study in the UK, most UK higher education institutions need evidence of proficiency in all four English language skills (reading, writing, speaking and listening) before a student visa application can be submitted. Where a candidate has not achieved a passing grade for each of the four English language skills, the student visa application may not be accepted. Some institutions will also require the proof of proficiency to have been awarded within the past three years.

Make sure your candidates check all requirements from their higher education institution before submitting an application for a certifying statement for CEFR.

If proof of the candidate's English language skills is required, the candidate must submit the following to the UK higher education institution acting as their student visa sponsor:

- the candidate's certifying statement for CEFR showing the proficiency levels gained for all four English language skills
- the candidate's final certificate that includes the overall English Language IGCSE/IGCSE (9-1) syllabus grade.

We issue final certificates to centres at specific times in the year for each exam series:

- March series – certificates are sent in June
- June series – certificates are sent in October
- November series – certificates are sent in March.

Candidates cannot apply for a certifying statement until we have issued certificates for the relevant exam series.

The certifying statement for CEFR will show:

- the candidate's overall grade achieved in the English language syllabus
- the candidate's grade achieved for each component within the syllabus
- the CEFR proficiency level achieved for each of the English language skills passed
- a table (on the reverse) showing the equivalent proficiency level for each of the English language skills.

UNGRADED, NO RESULT, PENDING or TO BE ISSUED grades do not appear on certifying statements.
