

Enquiries about results guide (March series)

A guide for exams officers

We carry out extensive checks before we issue results. However, in case you ask us to check the results of particular candidates, we do offer a range of enquiry about results services.

This guide provides step-by-step advice to help you submit enquiries about results. The link below will take you to this information:

- how to submit an enquiry about results

We charge an administrative fee for enquiries and appeals. See our fees list in the 'My Messages' section of [Cambridge International Direct \(Direct\)](#) for details. We will not charge the fee if the enquiry leads to a change in syllabus grade. We will start to send invoices 6–8 weeks after the enquiries about results deadline.

Important information

Enquiries about results are not available for component exemptions. You can find details of which candidates you have exempted from which component(s) by checking the spreadsheet you submitted to us.

NO RESULT (X Grade) or PENDING (Q Grade)

Enquiries for a NO RESULT (X Grade) or PENDING (Q Grade)	<p>We usually issue a 'NO RESULT' if the candidate appears not to have completed all the components of an assessment. 'PENDING' means that a result cannot be issued at present but will follow in due course. We can provide an explanation of 'NO RESULT' or 'PENDING' without charge, if requested by the Head of Centre.</p> <p>To submit your enquiry, visit the 'Administer exams' section of Direct, and click on the 'Enquiries about results' tab. Click on the 'NO RESULT (X Grade)/PENDING (Q Grade)' tab and follow the process for submitting an enquiry about results. Any further correspondence will be sent by email.</p>

Group awards

Recalculation of Cambridge ICE or the Cambridge AICE Diploma	<p>A recalculation to make sure the results for a Cambridge ICE Certificate or Cambridge AICE Diploma are correct. This recalculation must be requested by email (info@cambridgeinternational.org) and not through Direct.</p>

Important information

- You can only submit enquiries about results at component level.
- All the components you want us to review for a candidate within the same syllabus must be submitted at the same time. We cannot accept additional component enquiries for the same candidate and syllabus at a later date.
- For clerical re-check or review of marking services, you may only select one type of review or re-check service. For example, you cannot ask for a Service 1S for one component and then a Service 2S for another component for the same syllabus. You cannot ask for the same or another service for the same syllabus for the same candidate if a previous request has already been submitted.
- All the components you want us to review for a candidate must have a mark from an exam or from moderation. We will not consider any requests which include a component where we have calculated an assessed mark.
- We deal with enquiries in the order in which we receive them. We will communicate the outcome of your enquiry to you within 30 days of receiving it.
- Associate Centres should submit enquiries about results to their Cambridge Associate through [Direct](#). Cambridge Associates can then approve the enquiry and send it to us or reject the enquiry. For more information, **see page 14** of this guide.
- Please make sure your centre's email address is correct before submitting an enquiry.
- After you have submitted an enquiry, we will send you an email when the following documents are available on [Direct](#):
 - acknowledgement letter (this will display as 'Ack' on [Direct](#).)
 - outcome letter ('Out')
 - report, where applicable ('Rpt')
 - copy of script, where applicable ('Cos').
- If any of your candidates or their parents have questions about marking and grading, please direct them to the guides available on our [website](#). You can find more information about script marking and tolerances on the 'How to understand the marks on candidates' scripts' factsheet. This is available from the enquiries about results area of our website: www.cambridgeinternational.org/ear
- If you would like to make amendments to an enquiry, or to cancel an enquiry, these must be made within 24 hours of your enquiry being acknowledged. Any changes after this time will incur an administration fee.
