Our brand

Our brand is extremely important and one of the most valuable elements is the coat of arms (shield) of the University of Cambridge.

The coat of arms/shield was granted for use by the Scholars of the University of Cambridge by the English Crown during the reign of Queen Elizabeth I in 1573. This symbol now represents educational excellence around the world, nearly 500 years later.

As a Cambridge Professional Development Centre you are being granted permission to use this symbol of excellence. However, we ask that you treat it with respect and note that permission is granted solely based on compliance with these guidelines and the regulations set out in the Cambridge Handbook.

Your responsibilities

As a Cambridge Professional Development Centre you have a responsibility to comply with the guidelines for use of the Professional Development Centre logo.

These obligations are set out in the Centre and Cambridge Associate Responsibilities chapter of the Cambridge Handbook in section Q.

If you do not keep to them, we will be entitled to take appropriate action, which may include:

- requiring you to take remedial action
- requiring you to undergo further inspection and quality assurance visits
- removing your centre’s eligibility to enter for some or all of our qualifications
- removing your centre status and terminating any contract we have with you.

The Professional Development Centre logo can only be used in ways set out in these guidelines. We do not permit any other use.

Approval

You must get approval from us before printing or publishing any new marketing item using the Professional Development Centre logo by sending us a digital copy – see page 10 for the approval process.
Logo options

**File formats**
There is a colour (Fig. 3 left) and a white version (Fig. 4 below left) of the Professional Development Centre logo available as eps files (for printed material like leaflets or event stands) or pngs (for on-screen material like websites).
Always use this logo **exactly** as provided and do not amend it in any way.

**Email signatures and/or business cards**
If the logo is too small to be legible, you can use the following line of text after your organisation's name and/or logo:

[Your organisation name] is a Cambridge Professional Development Centre

Example signature:

[Your name], [Job title]
[Your organisation name], 123 High St, City, Country
[Your organisation name] is a Cambridge Professional Development Centre
Logo placement guidelines

- The Professional Development Centre logo must be secondary in size and position to your own identity (see Fig. 5 below).
- There must not be any confusion regarding your identity as an organisation independent of us.
- When used alongside other organisation logos (e.g. other exam boards) please ensure they are all proportionately the same size and that the size and clearance zones indicated (see Fig. 6 right) are maintained.

![Fig. 5 – At bottom of printed material](image)

Your organisation name and/or logo must be dominant (at the top).

![Fig. 6 – Clearance area required around the logo shown as 'x'](image)

Logo clearance area

We require half a shield clearance above and below the logo and a full shield width either side of the logo (see above). We also require that the logo is on a plain background as this allows for maximum legibility.

Examples of school marketing materials: digital

Below are some examples of how to use the Professional Development Centre logo in your digital marketing materials.

Website example - the Professional Development Centre logo should always be smaller than your own logo, and placed in the footer area of your website (as shown here).

Social media post - the Professional Development Centre logo should always be smaller than your own logo (as shown below).

Email signature - use the approved line of text (as shown here) instead of the Professional Development Centre logo.

Example email signature:
[Your name], [Job title]  
[Your organisation name], 123 High St, City, Country  
[Your organisation name] is a Professional Development Centre

Video - our logo should never appear on its own. In the example above, the Professional Development Centre logo is smaller than your own logo and in a less prominent position.
Frequently asked questions

To help you we have provided answers to the questions we are often asked in relation to the use of the Professional Development Centre logo.

**May I use the shield on its own?**
No. We do not allow the shield to be used on its own because it is the symbol of the University of Cambridge. We do not want our Professional Development Centres to be confused between Cambridge Assessment International Education and the University itself.

**Can I incorporate the shield into my name or school logo?**
No. We do not allow incorporation of the shield into names or other organisations logos because it implies a belonging to the University of Cambridge. You are registered with us and are therefore permitted to use only the customer version of the logo we have prepared for you. Please use your own independent identity to promote yourselves.

**Can I incorporate 'Cambridge' into my name?**
No. Again, we believe this will cause confusion as incorporating the name 'Cambridge' may imply a legal association that cannot be substantiated. We prefer your name to be completely independent of ourselves.

**The way I want to use the Professional Development Centre logo is not covered in these guidelines – may I use it the way I want?**
No. These guidelines show how the Professional Development Centre logo may be used. Any situation that is not covered in these guidelines is not permitted.

**May I use the Professional Development Centre logo on my letterhead?**
You can only use the Professional Development Centre logo on your letterheads and envelopes, and it must be secondary in size and position to your own logo. This is to avoid confusion regarding your status as an independent organisation.

**May I use the Professional Development Centre logo on my business cards and in email signatures?**
Yes, but if the logo is too small you can use the line of text below instead of the Professional Development Centre logo:
‘[Your organisation name] is a registered Professional Development Centre with Cambridge Assessment International Education’.
