Welcome to our school community.

As a Cambridge Professional Development Centre you have permission to use the Professional Development Centre logo (left) on your marketing materials.

You can download this version of our logo from our website at: www.cambridgeinternational.org/logos

Permission to use this logo is solely based on complying with these guidelines. You must get approval from us before printing or publishing any new marketing item using the logo.

We look forward to hearing from you.
Our brand

Our brand is extremely important and one of the most valuable elements is the coat of arms (shield) of the University of Cambridge.

The coat of arms/shield was granted for use by the Scholars of the University of Cambridge by the English Crown during the reign of Queen Elizabeth I in 1573. This symbol now represents educational excellence around the world, nearly 500 years later.

As a Cambridge Professional Development Centre you are being granted permission to use this symbol of excellence. However, we ask that you treat it with respect and note that permission is granted solely based on compliance with these guidelines and the regulations set out in the Cambridge Handbook.

Your responsibilities

As a Cambridge Professional Development Centre you have a responsibility to comply with the guidelines for use of the Professional Development Centre logo.

These obligations are set out in Section A of the Cambridge Handbook. If you do not keep to them, we will be entitled to take appropriate action, which may include:

- requiring you to take remedial action
- requiring you to undergo further inspection and quality assurance visits
- removing your centre’s eligibility to enter for some or all of our qualifications
- removing your centre status and terminating any contract we have with you.

The Professional Development Centre logo can only be used in ways set out in these guidelines. We do not permit any other use.

You must get approval from us before printing or publishing any item using the Professional Development Centre logo (see page 9 for the approval process).

Logo placement guidelines

- The Professional Development Centre logo must be secondary in size and position to your own identity (see Fig. 5 below).
- There must not be any confusion regarding your identity as an organisation independent of us.
- When used alongside other organisation logos (e.g. other exam boards) please ensure they are all proportionately the same size and that the size and clearance zones indicated (see Fig. 6 right) are maintained.

Fig. 5 – At bottom of printed material

Your organisation name and/or logo must be dominant (at the top).

Our logo must be smaller and secondary in size and position, placed at the bottom of printed materials or on websites.

Fig. 6 – Clearance area required around the logo shown as ‘x’

Logo clearance area

We require half a shield clearance above and below the logo and a full shield width either side of the logo (see above). We also require that the logo is on a plain background as this allows for maximum legibility.

Frequently asked questions

To help you we have provided answers to the questions we are often asked in relation to the use of the Professional Development Centre logo.

May I use the shield on its own?
No. We do not allow the shield to be used on its own because it is the symbol of the University of Cambridge. We do not want our Professional Development Centres to be confused between Cambridge Assessment International Education (a department) and the University itself.

Can I incorporate the shield into my name or school logo?
No. We do not allow incorporation of the shield into names or other organisations logos because it implies a belonging to the University of Cambridge. You are registered with us and are therefore permitted to use only the customer version of the logo we have prepared for you. Please use your own independent identity to promote yourselves.

Can I incorporate 'Cambridge' into my name?
No. Again, we believe this will cause confusion as incorporating the name 'Cambridge' may imply a legal association that cannot be substantiated. We prefer your name to be completely independent of ourselves.

The way I want to use the Professional Development Centre logo is not covered in these guidelines – may I use it the way I want?
No. These guidelines show how the Professional Development Centre logo may be used. Any situation that is not covered in these guidelines is not permitted.

May I use the Professional Development Centre logo on my letterhead?
You can only use the Professional Development Centre logo on your letterheads and envelopes, and it must be secondary in size and position to your own logo. This is to avoid confusion regarding your status as an independent organisation.

May I use the Professional Development Centre logo on my business cards and in email signatures?
Yes, but if the logo is too small you can use the line of text below instead of the Professional Development Centre logo:

'[Your organisation name] is a registered Professional Development Centre with Cambridge Assessment International Education'.
