Returning this form

Send us a copy of this form in the sample packet when you submit your sample of moderated coursework to us. If you do not include a copy with your sample, email the form to us by the deadlines above. We will not be able to return coursework if you ask us after these deadlines.

Return of work

We will return work that is **not subject to an enquiry about results** between June and August (March series), between September and November (June series) and between March and May (November series). You must clear the returned shipment through customs and pay any applicable local fees.

Even if you have completed this form, **we will not return work** that is part of an enquiry about results until the end of the enquiries about results appeals period. Find more information in the 'Appeals: Regulations and Guidance' section of the Cambridge Handbook.

Although we carefully handle and pack all work, we cannot accept responsibility for any work lost or damaged in transit.

We reserve the right to keep work for educational purposes. We clearly state this in the Cambridge Code of Practice.
