Why revise qualifications?

We work closely with schools, universities and ministries to make sure our qualifications offer the best possible preparation for further study and employment. We review syllabuses on a regular basis so that the content is up to date, the assessment is appropriate and they remain highly regarded by universities and employers.

To help teachers plan ahead, we provide advance notice of changes to syllabuses at least a year before first teaching. We publish this guide every September, and it includes details about:

New syllabuses

New subjects or syllabuses that have been significantly revised **and/or** have new syllabus codes.

Revised syllabuses

Significant changes have been made to these syllabuses following our review process.

Updated syllabuses

These syllabuses are newer versions of published syllabuses or have been amended with minor changes outside of our review process.

Withdrawn syllabuses

These syllabuses have been withdrawn. The relevant syllabus page on our website will indicate if there is an alternative syllabus available, for example if a syllabus is being replaced by one with a new code.

Changes to availability

Availability changes include Administrative Zone restrictions or inclusions, or changes to the examination years (or series).

Other syllabus changes

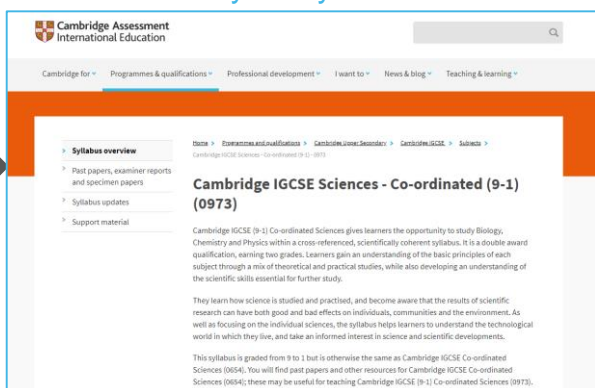

These include syllabuses with changes other than those listed above. For example, changes to the design, regulatory status and the assessment materials.

Design changes

Syllabuses and Specimen Papers published before September 2017 will have our old name and logo. Our new name and logo will be added to these materials when they are next updated.

You will start to see syllabuses and specimen papers with the new name and logo from September 2017 onwards. Some of the syllabus covers will also have a new design.

Specimen Paper Updates

Some specimen papers have been updated for assessment from 2020. The specimen questions and mark schemes remain the same. The layout and wording on the front covers have been updated to make instructions clearer for candidates.

Changes to how to access early question papers and pre-release material for November 2019 series

Please note, some early question papers and pre-release materials for examination in November 2019 onwards will be available to download from the School Support Hub.

Teachers should refer to the latest version of the syllabus and Cambridge Handbook ahead of the release of materials for the November 2019 series and for each following series.

The School Support Hub is password protected, please click on the following link:
