Terms and Conditions

- The Scholarship Scheme for Outstanding Cambridge Learners is an initiative launched by Cambridge Assessment International Education inviting Universities to attract and reward top Cambridge learners. The scholarships are provided by the participating Universities in the form of a concession in tuition fees and are not cash rewards. Scholarships are not offered or provided by Cambridge Assessment International Education.
- This brochure is for information purposes only and does not constitute a contract between eligible candidates and the participating Universities or Cambridge Assessment International Education. Interested candidates must contact the participating Universities directly for full details and their relevant terms and conditions for their scholarships. The eligibility requirements and terms and conditions vary for each participating University and are subject to change without prior notice. Cambridge Assessment International Education holds no responsibility or liability for this Programme or the actions of any participating Universities under this Programme.
- The number of scholarships awarded under each category are limited, and shall be offered by the participating Universities on a first-come first-serve basis.
- This Programme applies only to candidates that were awarded their Cambridge qualification from a Cambridge School situated within the Middle East and North Africa region (UAE, Saudi Arabia, Egypt, Bahrain, Oman, Qatar, Kuwait, Jordan, Syria, Lebanon, Palestine, Morocco, Tunisia, Libya, and Algeria) and shall be run by the participating Universities during the period 2018 until 2021.
- Scholarships offered under the Programme relate only to tuition fees, and shall not cover costs of travel, accommodation, books, food or any other costs.
- All candidates must hold a letter of acceptance / offer letter from the participating University to which they wish to apply for the scholarship, and meet all admission requirements for that same University in order to be eligible to apply for a scholarship under this Programme. However, meeting these criteria shall not be a guarantee that the candidate shall successfully obtain a scholarship, which shall always be offered at the participating University's discretion.
- Candidates may be provided with the opportunity to carry forward their scholarship to the following year at the sole discretion of the University.
