

## Support for Cambridge IGCSE™ First Language Malay 0696

### Supporting you every step of the way

We provide a wide range of support so that you can give your learners the best possible preparation for Cambridge qualifications. Here is a list of the teaching and learning support available for the Cambridge IGCSE First Language Malay 0696 syllabus for examination from 2021.

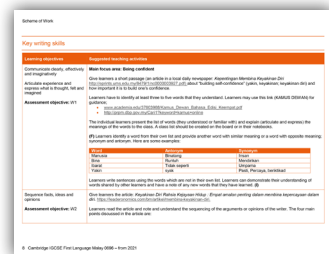

Our support material is available online through the School Support Hub at: [www.cambridgeinternational.org/support](http://www.cambridgeinternational.org/support)

### Syllabus and assessment materials

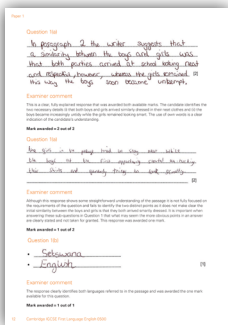

The syllabus is well designed, interesting to teach, accessible to learners for first teaching in 2019. It explains what your learners need to know, how they will be assessed, and the relationship between assessment objectives and the examination papers.

Specimen papers and mark schemes will help you familiarise yourself and your learners with exam requirements and how to answer questions that meet the assessment objectives.

### Scheme of Work

This medium term teaching plan provides ideas about how to construct and deliver Cambridge IGCSE First Language Malay 0696. The syllabus has been broken down into teaching units with suggested teaching activities and learning resources to use in the classroom. This document is a guide offering advice, tips and ideas to provide you with a basis to plan your lessons.

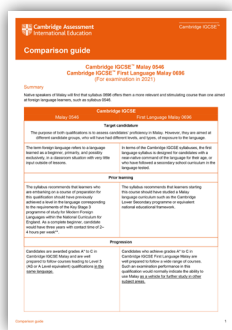

### Example Candidate Responses (ECR)

ECR booklets provide illustrative examples of candidate work at different levels of performance. Each answer is annotated with examiner comments on the awarded mark and any mistakes the candidate has made. The examiner explains how the candidate could have improved their answer, and lists common mistakes made in this question across all candidates who sat the exam. Booklets will be available in 2022 after the first live examination series.

### Specimen Paper Answers

This booklet exemplifies high-standard examination responses for the new Cambridge IGCSE First Language Malay 0696 syllabus and assessment structure. Use this resource to develop your learners' understanding of what is required to gain marks based on answers written in the style of a Cambridge IGCSE candidate.
