## 2 Syllabus overview

---

### Aims

The aims describe the purposes of a course based on this syllabus.

The aims are to:

- develop the ability to use Hindi effectively for the purpose of practical communication
- form a sound base for the skills required for further study or employment using Hindi as the medium
- develop an awareness of the nature of language and language-learning skills
- encourage learners' use of the expanding body of new vocabulary in Hindi
- promote learners' personal development.

### Content overview

Cambridge IGCSE Hindi as a Second Language offers learners the opportunity to develop practical communication skills in listening, speaking, reading and writing. In both written and spoken Hindi, learners will be able to follow factual information as well as abstract ideas, select relevant details, and understand what is directly stated or implied.

Learners will be encouraged to respond effectively to a variety of stimuli. They will be able to express their viewpoints with a degree of accuracy and clarity, in spoken and written form, in order to meet the needs of the given purpose and target audience. This will enable learners to become independent users of Hindi in a range of contexts.

Cambridge Assessment International Education is an education organisation and politically neutral. The contents of this syllabus, examination papers and associated materials do not endorse any political view. We endeavour to treat all aspects of the exam process neutrally.

## Paper 2 Listening

Written paper, approximately 35–45 minutes, 30 marks

Candidates should attempt **all** questions.

For all parts of this paper, candidates write their answers in spaces provided in a question paper booklet. Dictionaries may **not** be used in the examination.

Each exercise tests listening comprehension of spoken material (e.g. dialogues, interviews, conversations, news items, public announcements, talks) provided as audio material files that will be played in the examination room. Candidates hear the spoken material for each exercise twice and appropriate pauses are included on the recording to allow candidates time to read the questions and write their answers.

The audio material is controlled by the invigilator of the examination, not the candidate(s). Centres should check the *Cambridge Handbook* for the year candidates are taking the assessment for information on when the audio materials will be available and how to access the materials [www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide)

Teachers/invigilators should consult the relevant sections of the *Cambridge Handbook* for details about room, equipment, checking the audio material in advance and guidance on ensuring that candidates can hear the recording clearly.

The question paper has four exercises:

**Exercise 1** – Short answer questions: candidates hear a series of short spoken texts (e.g. travel announcement, recorded phone message, brief dialogue) and write short answers in response to six questions.

Assessment objectives: L1, L2

## Component 3 Speaking (optional)

Speaking test, approximately 10–12 minutes, 60 marks

The Speaking test is an optional component and is separately endorsed with grades of 1 (high) to 5 (low).

There is no question paper for the Speaking test. **The test will be conducted and assessed in Hindi.** The test must be recorded for **all** candidates.

Dictionaries may **not** be taken into the test.

Speaking tests take place before the main examination series (see the timetable for the relevant series). A teacher/examiner at the centre assesses candidates using the Speaking assessment criteria grid (see pages 16–18). After the tests, the centre must send the final marks, a recorded sample of the candidates' performances and completed forms for external moderation to Cambridge International before the advertised deadline.

### Administration of the Speaking test

Further information about the administration of speaking tests is provided in the *Cambridge Handbook* for the relevant year of assessment at [www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide). The forms for completion, information, dates and methods of submission of the speaking test marks, and sample size requirements are available from [www.cambridgeinternational.org/samples](http://www.cambridgeinternational.org/samples). Further guidance is supplied in the *Guidance for the administration of the Speaking test* document, which is also available from our website.

### Internal moderation

If more than one teacher in your centre is marking internal assessments, you must make arrangements to moderate or standardise your teachers' marking so that all candidates are assessed to a common standard.

You can find further information on the process of internal moderation on the samples database at [www.cambridgeinternational.org/samples](http://www.cambridgeinternational.org/samples)

You should record the internally moderated marks for all candidates on the Working Mark Sheet and submit these marks to Cambridge International according to the instructions set out in the *Cambridge Handbook* for the relevant year of assessment.

### External moderation

Cambridge International will externally moderate all internally assessed components.

- You must submit the marks of all candidates to Cambridge International.
- You must also submit the marked work of a sample of candidates to Cambridge International.

The sample you submit to Cambridge International should include examples of the marking of each teacher. The samples database at [www.cambridgeinternational.org/samples](http://www.cambridgeinternational.org/samples) explains how the sample will be selected.

The samples database at [www.cambridgeinternational.org/samples](http://www.cambridgeinternational.org/samples) also provides details of how to submit the marks and work.

External moderators will produce a short report for each centre with feedback on your marking and administration of the assessment.

## Structure of the Speaking test

There are three parts to the test:

### Part 1

A two- to three-minute presentation by the candidate on a chosen topic.

The topic of the presentation should be chosen by the candidate and must reflect an aspect, or aspects, of life in an Hindi-speaking community or Hindi-speaking culture.

**Note:** A written copy of the presentation is **not** allowed.

Candidates may prepare a single 'cue card' in Hindi to bring into the examination room. This should be no larger than a postcard, and could contain a maximum of five headings to remind candidates of the points they wish to make. Candidates may also bring in a limited quantity of illustrative material (no more than three or four items), which may include maps, diagrams, statistics and pictures but must not provide additional written support for their presentation.

Assessment objectives: S1, S2, S3, S4, S5

20 marks

Teachers/examiners use Speaking assessment criteria – Part 1 Presentation.

### Part 2

A three- to four-minute discussion with the examiner, using spontaneous questions about the presentation. The teacher/examiner should encourage full responses by giving candidates the opportunity to explain and justify their opinions. Candidates are expected to give natural replies to questions.

Assessment objectives: S1, S2, S3, S4, S5

20 marks

Teachers/examiners use Speaking assessment criteria – Part 2 Topic conversation.

### Part 3

A three- to four-minute conversation with the teacher/examiner covering two or three general topics (see pages 14–15). ## Speaking assessment criteria grid

### Guidance for examiners

You must award marks positively. In order to ensure that you reward what a candidate can do rather than penalise mistakes or omissions examiners should start at the bottom of the mark scheme and work upwards through the descriptors when awarding marks.

You should adopt a 'best-fit' approach for each of the assessment criteria. You must select the set of descriptors provided in the mark scheme that most closely describes the quality of the work being marked. As you work upwards through the mark scheme, you will eventually arrive at a set of descriptors that fits the candidate's performance. When you reach this point, check the descriptors in the level above to confirm whether or not there is just enough evidence to award a mark in the higher level.

To select the most appropriate mark within each set of descriptors, you should use the following guidance:

- If most of the descriptors fit the work, then award the top mark in the level.
- If there is just enough evidence (and you had perhaps been considering the level below), then the lowest mark in the level will be awarded.

## 5 What else you need to know

---

This section is an overview of other information you need to know about this syllabus. It will help to share the administrative information with your exams officer so they know when you will need their support. Find more information about our administrative processes at [www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide)

### Before you start

#### Previous study

We recommend that learners starting this course should have had prior contact with Hindi at school and/or in their community.

#### Guided learning hours

We design Cambridge IGCSE syllabuses based on learners having about 130 guided learning hours for each subject during the course but this is for guidance only. The number of hours a learner needs to achieve the qualification may vary according to local practice and their previous experience of the subject.

#### Availability and timetables

All Cambridge schools are allocated to one of six administrative zones. Each zone has a specific timetable.

You can view the timetable for your administrative zone at [www.cambridgeinternational.org/timetables](http://www.cambridgeinternational.org/timetables)

You can enter candidates in the November exam series. If your school is in India, you can also enter your candidates in the March exam series.

Check you are using the syllabus for the year the candidate is taking the exam.

Private candidates can enter for this syllabus. For more information, please refer to the *Cambridge Guide to Making Entries*.

#### Combining with other syllabuses

Candidates can take this syllabus alongside other Cambridge International syllabuses in a single exam series. The only exceptions are:

- syllabuses with the same title at the same level.

Cambridge IGCSE, Cambridge IGCSE (9–1) and Cambridge O Level syllabuses are at the same level.

#### Group awards: Cambridge ICE

Cambridge ICE (International Certificate of Education) is a group award for Cambridge IGCSE. It allows schools to offer a broad and balanced curriculum by recognising the achievements of learners who pass exams in a range of different subjects.

Learn more about Cambridge ICE at [www.cambridgeinternational.org/cambridgeice](http://www.cambridgeinternational.org/cambridgeice)

## Making entries

Exams officers are responsible for submitting entries to Cambridge International. We encourage them to work closely with you to make sure they enter the right number of candidates for the right combination of syllabus components. Entry option codes and instructions for submitting entries are in the *Cambridge Guide to Making Entries*. Your exams officer has a copy of this guide.

### Audio materials

You should check the *Cambridge Handbook* for the year candidates are taking the assessment for information on when the audio materials will be available and how to access the materials

[www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide)

### Exam administration

To keep our exams secure, we produce question papers for different areas of the world, known as administrative zones. We allocate all Cambridge schools to one administrative zone determined by their location. Each zone has a specific timetable. Some of our syllabuses offer candidates different assessment options. An entry option code is used to identify the components the candidate will take relevant to the administrative zone and the available assessment options.

### Support for exams officers

We know how important exams officers are to the successful running of exams. We provide them with the support they need to make your entries on time. Your exams officer will find this support, and guidance for all other phases of the Cambridge Exams Cycle, at [www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide)

### Retakes and carrying forward marks

Candidates can retake the whole qualification as many times as they want to. Information on retake entries is at [www.cambridgeinternational.org/entries](http://www.cambridgeinternational.org/entries)

Candidates cannot resubmit, in whole or in part, speaking tests from a previous series. To confirm if an option is available to carry forward marks for this syllabus, refer to the *Cambridge Guide to Making Entries* for the relevant series. Regulations for carrying forward internally assessed marks can be found in the *Cambridge Handbook* for the relevant year at [www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide)

## Equality and inclusion

We have taken great care to avoid bias of any kind in the preparation of this syllabus and related assessment materials. In our effort to comply with the UK Equality Act (2010) we have taken all reasonable steps to avoid any direct and indirect discrimination.

The standard assessment arrangements may present barriers for candidates with impairments. Where a candidate is eligible, we may be able to make arrangements to enable that candidate to access assessments and receive recognition of their attainment. We do not agree access arrangements if they give candidates an unfair advantage over others or if they compromise the standards being assessed.

Candidates who cannot access the assessment of any component may be able to receive an award based on the parts of the assessment they have completed.

Information on access arrangements is in the *Cambridge Handbook* at [www.cambridgeinternational.org/eoguide](http://www.cambridgeinternational.org/eoguide)

## Language

This syllabus is available in English only. The assessment materials are in Hindi.

## After the exam

### Grading and reporting

Grades A\*, A, B, C, D, E, F or G indicate the standard a candidate achieved at Cambridge IGCSE.

A\* is the highest and G is the lowest. 'Ungraded' means that the candidate's performance did not meet the standard required for grade G. 'Ungraded' is reported on the statement of results but not on the certificate.

In specific circumstances your candidates may see one of the following letters on their statement of results:

- Q (PENDING)
- X (NO RESULT).

These letters do not appear on the certificate.

On the statement of results and certificates, Cambridge IGCSE is shown as INTERNATIONAL GENERAL CERTIFICATE OF SECONDARY EDUCATION (IGCSE).

## How students and teachers can use the grades

Assessment at Cambridge IGCSE has two purposes:

- to measure learning and achievement

The assessment:

- confirms achievement and performance in relation to the knowledge, understanding and skills specified in the syllabus, to the levels described in the grade descriptions.

- to show likely future success

The outcomes:

- help predict which students are well prepared for a particular course or career and/or which students are more likely to be successful
- help students choose the most suitable course or career.

## Grade descriptions

Grade descriptions are provided to give an indication of the standards of achievement candidates awarded particular grades are likely to show. Weakness in one aspect of the examination may be balanced by a better performance in some other aspect.

Grade descriptions for Cambridge IGCSE Hindi as a Second Language will be published after the first assessment of the syllabus in 2019. Find more information at [www.cambridgeinternational.org/0549](http://www.cambridgeinternational.org/0549)

#### Other changes

- We have changed references to a CD provided by Cambridge International with the audio material for Paper 2 Listening to only make reference to the audio material. This is to ensure that when new technology for delivering the audio material is available the syllabus remains correct.
  - Centres should check the *Cambridge Handbook* for the year candidates are taking the assessment for information on when the audio materials will be available and how to access the materials.
