Welcome to our school community.

As a Cambridge International School also approved to offer Cambridge programmes online, you have permission to use the Cambridge International School logo (left) on your marketing materials, along with a description of your status.

You can download this version of our logo from our website at: www.cambridgeinternational.org/logos

Permission to use this logo is solely based on complying with these guidelines. You must get approval from us before printing or publishing any new marketing item using the logo.

Fig. 1 – You can use the Cambridge International School version of our logo on your marketing materials, but it must always have the descriptor text next to it (see example above and below).

Fig. 2 – This is our standard organisation logo which you are not permitted to use on your marketing materials.
Our brand

Our brand is extremely important and one of the most valuable elements is the coat of arms of the University of Cambridge. The coat of arms/shield was granted for use by the Scholars of the University of Cambridge by the English Crown during the reign of Queen Elizabeth I in 1573. This symbol now represents educational excellence around the world, nearly 500 years later.

As a registered Cambridge International School also approved to offer Cambridge programmes online, you are being granted permission to use this symbol of excellence as part of the logo we provide you with. However, we ask that you treat it with respect and note that permission is granted solely based on compliance with these guidelines and the regulations set out in the Cambridge Handbook.

Required text

As an online school providing Cambridge International programmes you are required to use the following text wherever you use our logo:

[School Name] is a registered Cambridge International School also approved to offer Cambridge programmes online.

This text should always appear alongside the Cambridge International School logo. It can be in your own typeface but needs to appear close to the logo, either beside it (as example below) or below it (see example on page 1).

Your responsibilities

As a Cambridge International School you have a responsibility to comply with the guidelines for use of the Cambridge International logo. These obligations are set out in the Centre and Cambridge Associate Responsibilities chapter of the Cambridge Handbook in section Q.

If you do not keep to them, we will be entitled to take appropriate action, which may include:

• requiring you to take remedial action
• requiring you to undergo further inspection and quality assurance visits
• removing your centre’s eligibility to enter for some or all of our qualifications
• removing your centre status and terminating any contract we have with you.

The Cambridge International School logo can only be used in ways set out in these guidelines. We do not permit any other use.

The Cambridge International School logo may only be used by the organisation registered with Cambridge directly. See FAQs on page 8 for further information.

Approval

You must get approval from us before printing or publishing any new marketing item using the Cambridge International School logo (please see page 10 of this document for details of the approval process).

File formats

Always use this logo exactly as provided and do not amend it in any way.

Email signatures and/or business cards

If the Cambridge International School logo is too small to be legible e.g. on email signatures (example below) or business cards (example below right) you can use the following line of text after your organisation’s name and/or logo:

[School Name] is a registered Cambridge International School also approved to offer Cambridge programmes online.

Example email signature text:

[Your name], [Job title]
[School name], 123 High St, City, Country
[School name] is a registered online Cambridge International School also approved to offer Cambridge programmes online.

Many thanks for your email, and I look forward to hearing from you soon.

Kind regards,

Firstname

Logo placement guidelines

The Cambridge International School logo must be secondary in size and position to your own logo (see example below).

There must not be any confusion regarding your identity as an organisation independent of us. When used alongside other organisation logos (e.g. other exam boards) please ensure they are all proportionately the same size and that the size and clearance zones indicated (See Fig. 7 right) are maintained.

Your school name and/or logo must be at the top

![Logo placement example](image)

Fig. 7 – Clearance area required around the logo shown as ‘x’

**Logo clearance area**

We require half a shield clearance above and below the logo and a full shield width either side of the logo (see above). We also require that the logo is on a plain background as this allows for maximum legibility.

Our logo must be smaller and secondary in size and position at the bottom. It must always be accompanied by the descriptive text explaining your status as an online school.

To help you use our logo and text on your materials correctly, we have provided answers to the questions we are often asked in relation to the use of the Cambridge International School logo.

**May I use the shield on its own?**
No. We do not allow the shield to be used on its own because it is the symbol of the University of Cambridge. We do not want our schools to be confused between Cambridge Assessment International Education (a department) and the University itself.

**Can I incorporate the shield into my name or school logo?**
No. We do not allow incorporation of the shield into names or school logos because it implies a belonging to the University of Cambridge. You are registered with us and are therefore permitted to use only the customer version of the logo we have prepared for you. Please use your own independent identity to promote yourselves.

**Can we use the Cambridge International School logo in another physical venue we own? For example a tuition centre or learning hub?**
No. Your status as a Cambridge International School is limited to your physical school and online Cambridge offer. Any affiliate centres (including but not limited to tuition centres and learning hubs) would need to be registered in their own right to offer Cambridge International programmes and use the Cambridge International School logo.

**Can I incorporate 'Cambridge' into my name?**
No. Again, we believe this will cause confusion as incorporating the name 'Cambridge' may imply a legal association that cannot be substantiated. We prefer your name to be completely independent of ourselves.

**The way I want to use the Cambridge International School logo is not covered in these guidelines – may I use it the way I want?**
No. These guidelines show how the Cambridge International School logo may be used. Any situation that is not covered in these guidelines is not permitted.

**Can I use the Cambridge International School logo on its own without including the required description?**
No. As a Cambridge International School that is also approved to offer Cambridge programmes online we must ensure it is clear to teachers, parents and learners that you deliver Cambridge programmes to some candidates at your physical premises and to other candidates either fully or mainly online. Including your descriptor alongside your Cambridge International School logo is one way of doing this.

**May I use the Cambridge International School logo on my stationery and in email signatures?**
You can only use the Cambridge International School logo on letterheads and envelopes, and it must be secondary in size and position to your own logo. This is to avoid confusion regarding your status as an independent organisation. For business cards and email signatures, please use the line of text below instead of the Cambridge International School logo:

[School Name] is a registered Cambridge International School also approved to offer Cambridge programmes online.
