Cambridge Global Perspectives at Primary

- ▶ Challenges.
- ▶ Skills.
- ▶ Checkpoints.

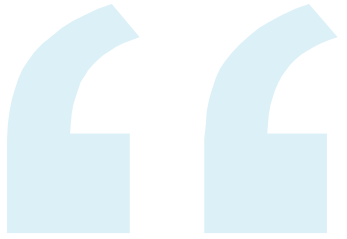

The Cambridge Primary Global Perspectives Fair

- ▶ Explain the 'dream' of a fair, why it'd be important, what it shouldn't be like....., projects need to be showcased
- ▶ Hook to bilingualism and back to context of schools in the region as per initial slide; different levels of proficiency would not be an impediment

The Cambridge Primary Global Perspectives Fair

- ▶ Unpick the videos we've just seen
- ▶ Students with a chance of speak “unscriptedly” about something meaning to them
- ▶ Examples of questions panellists were encouraged to ask, focus on process and experience rather than on specific content

I realised that the work I did in school was important beyond school.

Santiago Martinez,

Year 6 student at St George's School in Colombia
