This supplement outlines where regulations and guidance for administering Cambridge exams are different for centres in the UK. It should be used in conjunction with the Cambridge Handbook 2024. Where you see this icon in the Cambridge Handbook 2024, you should check this supplement. You can also find out where our regulations differ from the JCQ regulations on pages 22 to 26.

The plus icon in the Cambridge Handbook means there is extra information in this supplement.

NEW Important notice for centres teaching Cambridge Pre-U

In November 2019 we announced that we will be withdrawing Cambridge Pre-U. The last exams for the majority of subjects were in June 2023, with a resit available in June 2024. No teaching of Cambridge Pre-U syllabuses should have started for new students in September 2023.

Exams for Latin, Classical Greek, Psychology, Russian and Italian are no longer available. Only resit candidates can be entered to take the exams in June 2024 for remaining syllabuses. New candidates will not be eligible to enter.

Cambridge International Education is not a member of the Joint Council for Qualifications (JCQ), therefore some of our regulations are different from those of other UK exam boards. Please refer to pages 22 to 26 of this supplement for information about these differences. |

| **Phase 1 – Preparation** | |
| Page 28, 1.2 | **1.2 Preparing your exams timetable**  
To keep our exams secure, we have six administrative zones. Each zone has a specific timetable and you must use the correct UK timetable for each exam series.  
The timetable shows the date, session and duration of each exam, including the range of dates for practical and oral exams. You must also follow our Key Time regulations when timetabling your exams.  
For timetabled exams other than Cambridge Pre-U, all candidates must be in the exam or under Full Centre Supervision at the Key Time. See the ‘Key Times and Full Centre Supervision’ section and section 1.2.2 for more information.  
As soon as the final timetable is available, work out how many exam rooms you need and book them. Decide how you are going to make sure your candidates know where and when their exams will take place. You should also create a timetable for your centre and display it where all your candidates can see it. We recommend you use our ‘Create your centre’s exam timetable’ template to prepare for the exam series: www.cambridgeinternational.org/timetablingexams |
1.2.2 Timetabling exams

(a) The timetable will show test date windows and which session timetabled exams must be taken in:
   • Morning (AM)
   • Afternoon (PM).

(b) Candidates must take timetabled exams in the exam window or session shown on the final timetable.

(c) The Key Time is a point in a timetabled session when candidates must either be in the exam or under Full Centre Supervision. The Key Times for the UK are:
   • June series: 10:00 BST and 14:00 BST
   • November series before the clocks go back: 10:00 BST and 14:00 BST
   • November series after the clocks go back: 09:00 GMT and 13:00 GMT.

(d) The JCQ start times of 09:00 for the morning session and 13:30 for the afternoon session work with our Key Times, except if:
   • it is an afternoon exam in the November series after the clocks have gone back
   • it is an exam during British Summer Time that is less than an hour long.
   In both of these situations you must make sure that candidates are under Full Centre Supervision or taking their exam at the Key Time.

(e) For Cambridge Pre-U exams in the June series, you do not need to worry about Key Times. Follow the start time of 09:00 for the morning session and 13:30 for the afternoon session on the Cambridge Pre-U timetable. You can also start the exams half an hour earlier or later than the published start times.

1.2.3 Timetable deviations

(a) If you have a timetable clash, you may carry out a timetable deviation. The Head of Centre must resolve timetable clashes and make sure your proposed arrangements follow our regulations. UK centres do not need to apply for a timetable deviation; see 1.2.3.2 below.

(b) You must not move an exam:
   • to an earlier date
   • so it finishes in an earlier session on the timetabled date
   • more than 24 hours after the Key Time of the timetabled session.

(c) The following are examples where you may consider a timetable deviation:
   • A clash of exams in the same session where they would last more than three hours and 45 minutes in a session or more than six hours in a day. Candidates can sit exams for up to six hours in one day. The Head of Centre can allow candidates to sit exams that total more than this but you should consider the candidate's wellbeing.
   • A single period of Full Centre Supervision that is more than four hours long.

(d) The following are unacceptable reasons for a timetable deviation:
   • national or public holidays
   • participation in national, local or school events
   • school closure
   • school holidays
   • weddings
   • work experience
   • field trips.

1.2.3.2 Applying for a timetable deviation

This does not apply to UK centres (including the Administrative forms box and Important dates box).

You must tell us if you plan to do this by completing and returning Preparation – Form 3 by the dates in section 1.3.1. We may need to produce some question papers on coloured paper. We will tell you which ones we need to produce and which ones you can produce. Your Head of Centre is responsible for making sure the security and integrity of the question paper is maintained during the production process. We will make a copy of the question paper available for you to download from Digital File Despatch 90 minutes before the Key Time for the exam. We only provide the question paper(s) you include on Preparation – Form 3, that we approved and only if the candidate has the appropriate entry. Make sure you have asked for all syllabuses and components that you need. If you amend your entries, you must tell us so that we can make the correct question paper(s) available to you on Digital File Despatch. We will email guidance about how to securely print question papers to you. You must follow the guidance outlined in this email. Alternatively, your centre is permitted to open the question paper packet not more than 90 minutes before the published Key Time (or in exceptional circumstances, with prior permission from us, before the standard centre start time) for the exam. This will enable your centre to:&lt;br&gt;• copy and enlarge the standard paper from A4 to A3&lt;br&gt;• copy the standard paper onto coloured paper&lt;br&gt;• produce a question paper with single-sided print.&lt;br&gt; If your centre does not have the appropriate equipment to make these modifications, please let us know as soon as possible. You must not modify the content of the question paper. For example, changing the font size. Question papers must be printed on A4 paper unless you have permission from us to make enlargements. You must keep signed records of the modification. These should include:&lt;br&gt;• the start time of the exam&lt;br&gt;• the syllabus, component, candidate number and modification produced&lt;br&gt;• the names and job titles of the two staff members who carried out the modification.&lt;br&gt;Record this information on your exam timetable. You may be asked to show these records to an inspector. You must keep these records until we have released certificates. (h) If a candidate requires a coloured and/or enlarged copy of an answer booklet, you must produce this. To produce a coloured and/or enlarged copy, you may photocopy a copy of the standard answer booklet onto the appropriate coloured and/or sized paper. You will receive copies of the standard answer booklet in your non-confidential despatch before the exam series. You do not need to tell us if you plan to do this.</td>

You cannot use the Department for Education funded Yellow Label Service for Cambridge IGCSEs.  
You must return Cambridge IGCSE and Cambridge International AS & A Level scripts using our white bar-coded labels and address labels.  
You can use the Yellow Label Service for Cambridge Pre-U.  
You must use the correct method to return your scripts. If you do not, they may be delayed or lost and your candidates will not receive their results. |
| Page 115 | **Important information**  
We send you yellow bar-coded labels for returning all Cambridge Pre-U components, including examined coursework. You do not need to use outer packaging to send your scripts. Attach the correct yellow label to the script packet. You must return the work following the instructions in sections 5.4.1 and 5.4.3. |

Extra information for UK centres:  
Use the Yellow Label Service to send us Cambridge Pre-U scripts. Give the script packet to the Parcelforce driver.  
For more instructions on how to use the Yellow Label Service, please read the Department for Education’s guide at [www.education.gov.uk/yellowlabel](http://www.education.gov.uk/yellowlabel). You must use the despatch log at [www.education.gov.uk/yellowlabel](http://www.education.gov.uk/yellowlabel) to keep a record of all your despatches. |
| Page 126, 5.7.1.4 | **5.7.1.4 Large numbers of candidates**  
This information replaces the third and fourth paragraphs:  
For Cambridge Pre-U syllabuses, you must supervise all candidates from the official time on the timetable. Candidates may be taking the exam or they may be under Full Centre Supervision, before or after taking the exam.  
For other qualifications, you must supervise all candidates until the Key Time. Candidates may be taking the exam or they may be under Full Centre Supervision, before or after taking the exam. If you have divided the candidates into two groups, you can schedule the exam so that one group finishes at (or close to) the Key Time, and the other group starts at (or close to) the Key Time. This will keep the amount of time candidates spend under Full Centre Supervision to a minimum.  
The fifth paragraph is not applicable to UK centres. |

For the following components, candidates need equipment that allows them to control the recording, for example, CD players with headphones:  
- Cambridge International AS & A Level Music (9483/01)  
- Cambridge Pre-U Music (9800/11)  
- Cambridge Pre-U Modern Foreign Languages – component 2

This wording replaces all information after the second paragraph:  
Scheduling the two groups in this way may cause written exams timetabled for the same day to overlap with a listening exam. If this happens:  
- arrange the two groups of candidates so that the sittings do not overlap  
- timetable the exam so that the changeover between the two groups is earlier than the Key Time (you will need to supervise the first group of candidates after their exam)  
- delay the start of the exam (as long as all candidates are under Full Centre Supervision at the Key Time).  
If you would need more than two groups of candidates, contact us well before the exam. |
| Page 131, 5.7.7 | **5.7.7 Arranging speaking exams with an examiner**  
Extra section for UK centres:  
You must arrange speaking exams with an examiner for the following Cambridge Pre-U subjects:  
- Mandarin Chinese (9778)  
- French (9779)  
- German (9780)  
- Spanish (9781).  
**NEW** You must arrange for a visiting examiner for Art & Design (9837) and Music (9800). Please give this information to the relevant subject teachers.  
**5.7.7.1 How to arrange the speaking exam**  
All speaking exams must take place within the window on the final timetable.  
All the forms and documents you need to arrange and run them are on the School Support Hub: [www.cambridgeinternational.org/support](http://www.cambridgeinternational.org/support)  
1. Go to the subject page for the relevant syllabus.  
2. Under ‘Other documents’, download the PDF called ‘Pre-U Speaking Test 2024: Information for centres’.  
By 15 December 2023, please complete and return form PreU/MFL/STAF. Say how many candidates you expect to enter for the June 2024 series and give any ‘impossible’ dates. Apart from these dates, we expect you to accept the exam dates we give. Private candidates may need to go to a specific venue for their speaking exam. |

5.7.8 Arranging presentation and viva exams with an examiner

Extra section for UK centres:
You must arrange presentation and viva exams with an examiner for Cambridge Pre-U Principal Subject Art History (9799).
Please give this information to the relevant subject teachers.

5.7.8.1 How to arrange the exam
All viva exams must take place within the window on the final timetable. All the forms and documents you need are in the ‘Support Materials’ section of Direct.
You must fill in form PreU/AH/OAF and give any ‘impossible’ dates. Apart from these dates, we expect you to accept the exam dates we give. Private candidates may need to go to a specific venue for their exam.
You must give a contact name, phone number and email address for the person responsible for the exam arrangements. The examiner will aim to contact this person by mid-February to arrange dates for exams. If the examiner has not contacted you by the end of February, please call Customer Services.
You must return form PreU/AH/Viva/Dates/Conf to the examiner by post within two days of them contacting you.
You must fill in form PreU/AH/Viva/Time for each day of exams, taking into account lunch and other breaks. The examiner should not normally conduct more than eight viva exams per four-hour session.
You must make sure that candidates’ names and numbers, and the titles of their Personal Investigations, are written on the forms. At the beginning of the exam, you should give the examiner 15 minutes to talk to all the candidates as a group, to explain exam procedures.
You must fill in the Working Mark Sheets with candidates’ names and numbers before the exam.

5.7.8.2 Accommodation and equipment

Quiet conditions
The exam room must be quiet, with no noise outside. It should not be close to corridors used by large numbers of students between lessons. If this is not possible, keep the corridors as quiet as possible. You must display notices to stop people entering the room during the exam.

Exam room
The candidate and the examiner should sit opposite each other across a table. The examiner needs enough table space to arrange their documents.
The candidate may also need space to arrange their presentation. However, they should be close enough to build a rapport.

Preparation
Candidates must not be able to speak to others who have already taken their exam, until they have also finished.

Recording
You must record all viva exams. The examiner is likely to bring their own recording equipment. You can discuss this with them when you arrange the visit.
If you provide recording equipment, it must have an external microphone rather than an in-built one. Place the microphone on a soft surface between the examiner and the candidate. Normally, you will need to put it nearer to the candidate. Candidates must not bring mobile phones or other electronic devices into the exam room.

(continued on next page...
5.7.8.3 Safeguarding children and vulnerable adults
A member of staff must accompany visiting examiners while they are with a candidate. The member of staff can sit away from the examiner and candidate as long as they can hear and see what is happening. The member of staff must not have prepared the candidate for the exam in any way.

5.7.8.4 Preparing the candidates
It is better for everyone if candidates are as relaxed and confident as possible.

Guidance for candidates
Before the exam, copy and give candidates the Guidance for Candidates booklet which you can download from the individual syllabus page on the School Support Hub: www.cambridgeinternational.org/support

Supporting materials
You must set up equipment before the examiner arrives. Candidates may bring a copy of their Personal Investigation into the exam room, as well as other written notes and materials to use in their presentation. Candidates should save electronic presentations onto a memory stick or CD (you must provide this). They should give this to the examiner at the end of the visit. Name any files using the centre number, candidate number and name, syllabus and component number.

5.7.8.5 Timing
The presentation and viva exam will last for about 20 minutes. There should be a few minutes’ break for the examiner after each exam. Timetable candidates to arrive at the preparation room at 30-minute intervals. Do not timetable more than eight candidates in any four-hour session.

5.7.8.6 The assessment and after
The examiner will assess all presentations and vivas in line with the criteria. They will award marks as the presentation and viva is taking place. Examiners will record all viva exams and send the recordings to us, along with mark sheets, for moderation.

Important information
At all times during the exam, you must keep recordings and mark sheets secure. The conditions should be similar to those for exam materials before a written exam. No one else should have access to the exam room. You must keep the room locked when the examiner is not there.

Phase 6 – Results and certificates

6.1 Releasing results
Paragraph two has different wording for UK centres:
You can give candidates their results straight away for all qualifications except Cambridge Pre-U. For Cambridge Pre-U, you must not give candidates their results until the day after we release them.

Important dates
Different June series information for UK centres:

Extra wording for UK centres:  
If you made entries through A2C, your results file will also be available through A2C. Please make sure you update your MIS package to match our systems or not all results will display when the results file is transferred. We will email you instructions before we release results.  
We also provide a component marks report with:  
  - marks for each component of the syllabus for every candidate you have entered  
  - raw and adjusted marks for each component.  
This is an Excel spreadsheet so you and your teaching staff can analyse the information. We publish it on Direct after results release. We will give you dates in the Cambridge Exams Officer eNewsletter. |
| Pages 133 and 134, 6.1.3 | **6.1.3 Results despatch**  
This section has different wording for UK centres:  
We usually send this despatch by courier. We do not email results to you or anybody else.  
**Associate Centres** will receive their results according to their local arrangements.  
When you receive your despatch, check that you have all the documents listed below.  
We do not include the following documents in your provisional results despatch:  
  - statements of results for candidates  
  - results broadsheets for teachers.  
You can download these through Direct. If you need printed copies, for example for visa applications, email info@cambridgeinternational.org  
**Results by syllabus, option and component: for teachers**  
This document shows all your results and component grades by syllabus, option and component. They let teachers compare a candidate’s standard across different parts of an exam. They will not always exactly match the overall syllabus grade. You can share this information with candidates to help decide whether to retake a syllabus or apply for enquiries about results. If you do this, please tell them they should not share this information with anyone else. You can give component grade information if a university asks for it.  
**Moderation adjustment summary reports: for teachers**  
We provide a summary of moderation adjustments for every internally assessed component. The summary shows any changes we made to the marks your teachers awarded. We do not change weighted marks. ‘NO ADJUSTMENT’ means that we accepted your marks. The information is in syllabus component code order. If we changed ranges of marks, we show them in ascending order. We do not reduce marks below zero or raise them above the maximum mark for the component.  
**Moderation report: for teachers**  
We provide a report on the moderation for each internally assessed component. It also shows where our moderators re-marked coursework because they could not moderate the marks. |
### Page 134

**Regulations**
(a) You are responsible for giving all your candidates, including private candidates, the electronic statements of results information you download from Direct.
(b) The electronic statement of results is not a certificate. A university or other organisation may not accept it.
(c) We can correct the information on any electronic statements of results before we send certificates.
(d) The electronic statements of results belong to us and we issue them on the following conditions:
   - If an electronic statement of results is altered or defaced it is invalid.
   - The electronic statement of results must be returned to us if we ask for it.
(e) Check centre and candidate details on electronic statements of results, including the spelling of names and dates of birth. As electronic statements of results are a record of the exam, you must tell us straight away if there are any errors so we can correct them before we send your certificates. Use Results and Certificates – Form 12. Associate Centres must tell their Cambridge Associate about any errors.
(f) Contact us or your Cambridge Associate straight away if any electronic statements of results are missing from Direct.
(g) We do not usually give results directly to candidates. In rare cases we may do this, once we have checked their identity.

#### 6.1.5 Grade changes after results release
This section is different for UK centres:
If a candidate's grade changes after we release results and the change is not because of an enquiry about results, we will automatically update the following documents within three working days. This is as long as your centre has no open enquiry about results.
- statement of results for every candidate (PDF)
- results for your centre in broadsheet format (PDF)
- results for your centre in broadsheet format (Excel).
If you need an updated component marks report, email info@cambridgeinternational.org confirming the syllabus and series.

### 6.1.6 Cambridge Pre-U Diploma

Extra section for UK centres:

You will find information about requirements for passing the Cambridge Pre-U Diploma in the Cambridge Guide to Making Entries.

If you want to substitute up to two regulated Level 3 syllabuses in place of Cambridge Pre-U Principal Subjects, you must apply for the Cambridge Pre-U Diploma after we issue results.

To do this, complete Results and Certificates – Form 10. Follow the instructions on the back of the form and send it to us with copies of the relevant statements of results. The Head of Centre must sign the copies.

### 6.2 Priority results

Paragraph two is different for UK centres:

For UK university applications, we send all Cambridge International AS & A Level, Cambridge Pre-U and Global Perspectives & Research results to the Universities and Colleges Admissions Service (UCAS). They will arrive in time to meet university deadlines. Therefore, candidates do not need to ask for priority results information.

Page 139, 6.3

### 6.3 Enquiries about results

Extra paragraph for UK centres:

To help you decide whether you want to submit an enquiry about results, you can also apply to see a copy of a candidate’s script. This is called a ‘priority copy of script’ and is only available in the June series for Cambridge International AS & A Level and Cambridge Pre-U results.
### 6.3.1 Enquiries about results services

Two extra enquiries about results services for UK centres:

**Service name**  
Priority review of marking: Service 2P.

**Details of service**  
The same as ‘Service 2’ but we complete the review within 18 days of receiving your request. You can ask for this service if your candidate's place in further/higher education depends on the outcome. We must receive all applications by 23 August 2024. Apply as soon as possible after we release results. This means you will have more chance of receiving the outcome before the UCAS deadline of 4 September 2024.

**Availability of service**  
Available for components we have assessed. Not available for multiple-choice question papers. Only available in the June series for Cambridge International AS & A Level and Cambridge Pre-U syllabuses.

**Service name**  
Priority review of marking with copy of script: Service 2PS.

**Details of service**  
The same as ‘Service 2P’ but you also receive a copy of the script.

**Availability of service**  
Available for components we have assessed. Not available for multiple-choice question papers or Art & Design syllabuses. Only available in the June series for Cambridge International AS & A Level and Cambridge Pre-U syllabuses.

### Access to scripts

**Priority copy of scripts**  
This service does not involve a review of marking. It allows you to see a script to decide whether or not to submit an enquiry about results. We will upload any copies of scripts to Direct by 6 September 2024. If you want a priority service, do not ask for a copy of the script separately. If you do this you will not receive the script before the priority services deadline for the candidates in the group. Only available in the June series for Cambridge International AS & A Level and Cambridge Pre-U syllabuses.

**Copy of script**  
We can return copies of some or all of your candidates' scripts. You can use these within the centre but not to support an enquiry about results. We will upload any copies of scripts to Direct by 27 November 2024 for the June series and 23 April 2025 for the November series. Available for all qualifications.

**November 2024 series**  
11 March 2025: copy of script request (for use within the centre and not to support an enquiry about results).  
We cannot accept requests after the deadlines because we start to dispose of candidate scripts soon after these dates.  
It is good practice for Cambridge Associates to submit enquiries about results for all their Associate Centres before the closing date. This gives time to check them and resolve any problems before the deadline. Cambridge Associates may set earlier deadlines for their Associate Centres. |
| **Page 142** | **Regulations**  
Extra regulation for UK centres:  
You need candidate consent to submit an enquiry about results. Before you submit an enquiry for a regulated qualification, you must tell candidates that their component mark or syllabus grade will either stay the same, go up or go down. By submitting the enquiry, you are confirming you have told each candidate this. You do not need candidate consent for a Service 5 enquiry. |
| **Page 142, 6.3.3** | **6.3.3 How long does it take to process enquiries?**  
Different wording for UK centres in the first paragraph:  
We deal with enquiries in the order we receive them. We will tell you the outcome within 30 days of receiving your enquiry, or 18 days for priority services.  
There is an extra second paragraph for UK centres:  
If you are submitting a Service 2P or 2PS enquiry for a candidate whose university place depends on the result of the enquiry, apply as soon as possible after we release results. You will have more chance of receiving the outcome before the UCAS deadline. |

**Key Time**  
A time, defined by the location and country of a centre, specified by Cambridge, when all candidates taking timetabled exams must either be in an exam or under Full Centre Supervision.  
The Key Times for the UK are:  
• June series: 10:00 BST and 14:00 BST  
• November series before the clocks go back: 10:00 BST and 14:00 BST  
• November series after the clocks go back: 09:00 GMT and 13:00 GMT.  
The JCQ start times of 09:00 for the morning session and 13:30 for the afternoon session work with our Key Times except in the following situations:  
• it is an afternoon exam in the November series after the clocks have gone back  
• it is an exam during British Summer Time that is less than an hour long.  
In both situations, you must make sure that candidates are under supervision at the Key Time.  
If you run Cambridge Pre-U exams in the June series, you do not need to worry about Key Times.  
Simply follow the start times in the Cambridge Pre-U timetable. |

Differences between Cambridge International Education (Cambridge) and JCQ exam boards

Because we are an international exam board and not a member of the JCQ, some of our processes and regulations are different. Read this section to find out where our regulations differ from the JCQ regulations set out in their Instructions for Conducting Examinations and other documents on the JCQ website.

Phase 1: Preparation

Final timetables
We try to align our timetable to the JCQ timetable where possible and we understand the challenges that different timetables create for our UK centres. For June 2024, we had to publish our final timetable before the JCQ. We appreciate there are some timetable clashes UK centres may need to manage. We have provided more information about ways you can manage these clashes here.

Because our qualifications are taken in 160 countries, we produce a set of timetables across our six administrative zones for each series. There is a separate timetable for the UK. We cannot publish the UK timetable earlier as it is produced alongside the other timetables. See section 1.2 of the Cambridge Handbook.

Key Times
To safeguard the security of our exams internationally, we use Key Times instead of start times. All candidates must be in the exam or under Full Centre Supervision at the Key Time. If you run Cambridge Pre-U exams, we give you start times instead of Key Times. See the ‘Key Times and Full Centre Supervision’ section in the Cambridge Handbook.

Access arrangements
You cannot apply for Cambridge access arrangements using Access Arrangements Online (AAO). You must tell us about any access arrangements you plan to use by sending us Preparation – Form 1. This is a simple tick box form. You must apply for access arrangements for each exam series. You do not have to send us any evidence of the candidate's need with your notification. However, you must keep the evidence until we issue certificates. We may ask you for this at any time, so you must have the correct evidence on file when we ask for it.

You can still use your JCQ outcome letter as part of this evidence. Although some of our access arrangements may not be included on your JCQ outcome letter, we can use the additional information you submitted on JCQ’s Form 8 to help us make our decision. For this reason, we recommend that you provide us with both your JCQ outcome letter and JCQ Form 8 when we ask for evidence. (See the table below for deadlines.)

Our deadline for modified papers is a week earlier than the JCQ deadline because our exam series starts earlier; please see section 1.3 of the Cambridge Handbook.

Modified papers
We will only send you modified question papers if you submit a final entry for the relevant candidate, syllabus and component. We encourage you to submit final entries for any candidates with modified papers as early as possible. See section 1.3.6.
Phase 2: Entries

Entry fees
Our late entry stages are different from other exam boards. Between the entries deadline and the late entries deadline, you can make entries or entry changes but you will be charged late entry fees. In exceptional circumstances, you can make entries or changes after the late entries deadline by:

• allowing candidates to sit the exam without an entry as long as you meet the requirements listed in section 5.1.6 of the Cambridge Handbook
• asking us to send you additional question papers if you do not have enough spare question papers for each of the relevant components. Each request will be considered on a case-by-case basis, and we reserve the right to decline any request received after the late entries deadline.

We will charge a very late entry fee for any unauthorised entries or for any additional question papers we send you. See our fees list in the ‘My Messages’ section of Direct for details. It may not be possible for us to release results for these candidates at the same time as other results.

NEW Making entries
The JCQ regulations state that candidates must not be entered for the same subject at the same qualification level with more than one awarding body in the same series.

Checking and changing your entries

You should use the same method to submit your entries and changes in the same exam series. If you use A2C, submit one entry file for all your entries. To make any changes, export an ‘Amendment file’ and submit it to us through A2C.

You must check that your entry data is correct and complete on Direct, even if you have submitted your entries and changes using A2C or any MIS package. See section 2.3 of the Cambridge Handbook.

Option entry codes
As our qualifications are linear, we use syllabus and option codes instead of unit codes and rules of combination. When you make your entries, you must select the relevant syllabus code and option code that represents the combination of components you want to enter the candidate for, including the components that can be carried forward from a previous series.

You cannot enter candidates for a single component. Candidates need to complete all the components in an option to receive a syllabus grade.

You do not need to submit a cash-in code with your entries. Instructions for making entries and a list of syllabus and option codes are in the Cambridge Guide to Making Entries.

Important information

Transferring candidates
We have specific regulations and processes for transferring candidates from one centre to another. See section 2.1.3 of the Cambridge Handbook.
Phase 4: Before the exams

Forecast grades
For some qualifications, we continue to ask you to submit forecast (or estimated) grades as part of our quality assurance processes. See section 4.1 of the Cambridge Handbook.

At least two invigilators must be present when a test is being conducted, even if you have fewer than 20 candidates sitting the test. For Cambridge ICT and IT practical tests, see section 5.7.4 of the Cambridge Handbook.</td>

NEW A human reader, scribe, practical assistant, prompter, colour naming assistant or live speaker cannot also act as an invigilator.

Posters
Please display the Notice to Candidates and Candidate Warning poster (shown right) inside and outside all exam rooms. JCQ only requires that the posters are displayed outside the exam room.

If Cambridge exams are taking place in the same room at the same time as exams from other UK boards, you can display the JCQ posters outside the room and the Cambridge posters inside. See section 4.5.2.2 of the Cambridge Handbook.

Copies of Cambridge Handbook
Place a copy of sections 4 and 5 of the Cambridge Handbook in each exam room and a copy of the full Cambridge Handbook in the main exam room. See section 4.5 of the Cambridge Handbook.

Receiving and storing confidential materials
There are differences in the regulations between Cambridge and JCQ for receiving and storing confidential materials. Please see sections 4.3 and 4.4 of the Cambridge Handbook. You must have a minimum of two and a maximum of three authorised people as key holders for your secure storage.
Phase 5: Exam day

**Five-minute warning**
You must give candidates a five-minute warning before the end of their exam. JCQ does not require the use of a five-minute warning. See section 5.2.6 of the Cambridge Handbook.

**Inspections**
As we are not a member of the JCQ, we do not have access to JCQ inspection data so we need to carry out our own inspections. This may mean that you are visited by Cambridge inspectors as well as JCQ inspectors in the same series. To find out more, see our video, ‘What to expect from a security inspection’ at: www.cambridgeinternational.org/security-inspections

**NEW Removing question papers from secure storage**
There are differences in the regulations between Cambridge and JCQ for removing question papers from secure storage. Please see sections 5.1.9 and 5.1.9.1 of the Cambridge Handbook.

**Leaving the exam room**
Keep candidates who want to leave before the Key Time under Full Centre Supervision. Cambridge Pre-U candidates cannot leave the room until an hour after the start of the exam (even if it is less than one hour long). See sections 5.2.3 and 5.3.1 of the Cambridge Handbook.

Phase 6: Results and certificates

Our results release dates are different from those of JCQ exam boards. June series results are released in mid-August and November series results are released in mid-January. Specific dates are communicated in the Cambridge Exams Officer eNewsletter.

Cambridge Handbook (UK Supplement) 2024 continued
Submitting enquiries about results
All component enquiries you want us to review for the same candidate and syllabus must be submitted at the same time. Any subsequent requests for the same syllabus and candidate will be rejected. This is because our qualifications are linear, so we look at the result the candidate is awarded in the context of the whole syllabus, rather than the individual component. See our ‘Enquiries about results guide (UK)’ at: www.cambridgeinternational.org/ear
