

Cambridge International AS Level candidate grades March 2025

Cumulative world totals grades a - e

These figures may differ from previous March series. This is because the awarding standard in March 2021, March 2022 and March 2023 was adjusted in response to the Covid pandemic. In March 2024 the awarding standard returned to the pre-Covid standard and the same standard has been applied in March 2025.
