

Endorsement review fees

1st June 2025 to 31st July 2026

Please note that these fees might be altered if the material being reviewed does not match the descriptions given below.

We review all our fees on an annual basis and fees will rise accordingly in line with inflation. All fees quoted here are based on one in-depth review.

- For syllabuses that are classed as low entry (less than 2,500), a 25% reduction in the fee quoted will be applied.
- For syllabuses that are classed as high entry (more than 60,000), a 25% uplift in the fees quoted will be applied.

CAMBRIDGE PRIMARY

DIGITAL MATERIALS	
All Primary and Lower Secondary e-books or digital publications.	A fee is payable for all digital material. Fees for e-books and digital publications are calculated in the same way as print material based on the volume of material received and the corresponding page count. Any material that falls outside of the scope will be charged as additional.
All Upper Secondary and Advanced e-books or digital publications.	

Copyright material admin fees (per application/per title)	
1-50 questions	£300
51-100 questions	£450
100+ questions	£600
