Introduction

These instructions are for the teacher(s)/examiner(s) who are responsible for conducting and assessing the Cambridge IGCSE Italian speaking tests at your centre. In these instructions we use the word 'you' to refer to the teacher(s)/examiner(s) conducting the speaking tests.

The purpose of the speaking test

The purpose of the speaking test is to assess candidates' spoken performance in Cambridge IGCSE Italian.

To achieve this, it is important to:

- create a supportive atmosphere
- conduct the test in accordance with these instructions and the *Cambridge Handbook*
- conduct each test using the questions and prompts exactly as they are printed in the teacher/examiner scripts provided in this booklet
- record the speaking tests in full for **all** candidates.

Structure of the speaking test

The structure is as follows:

task	duration	task focus
preparation time	10 minutes	
greeting (non-assessed)	approximately 30 seconds	
role play	approximately 2 minutes	Candidates respond to transactional questions to, for example, accomplish a task or obtain goods/services.
topic conversation 1	4 minutes	Candidates respond to questions on one specific sub-topic from Topic Area A or B to share views, opinions and experiences.
topic conversation 2	4 minutes	Candidates respond to questions on one specific sub-topic from Topic Area C, D or E to share views, opinions and experiences.

The test does not need to last exactly 10 minutes. For example:

- if the role play lasts less than 2 minutes, you do **not** need to add extra questions
- if the role play lasts more than 2 minutes, do **not** reduce the time allocated to the topic conversations
- if the topic conversation lasts 3½ minutes or less, even after asking extension questions, you **must** ask up to **two** further questions of your choice. These questions must be on the **same** topic as the other questions to make sure that the conversation lasts 4 minutes.

Resources required

You need:	Each candidate needs:
<ul style="list-style-type: none"> • this booklet • a copy of the mark schemes provided in this instruction booklet • copies of the working mark sheet (WMS) (please download from the samples database at www.cambridgeinternational.org/samples) • recording equipment • a timer or clock • the list of candidate names and numbers • a black or blue pen for marking • additional paper and pens for the candidates during their preparation time • a quiet room for the preparation time • a quiet room for the speaking test. 	<ul style="list-style-type: none"> • one candidate card.

Preparation in advance of the speaking test

Before starting the speaking tests at the centre, you must:

- read these instructions, including the mark schemes, carefully
- read the regulations in the *Cambridge Handbook* about the conduct of non-coursework speaking tests
- study the scripts for both the role plays and topic conversations
- make sure that there are two separate rooms available: one room where candidates prepare for the test (this will be the preparation room) and one room where candidates take the test (this will be the examination room)
- make sure that the preparation room has paper and pens for candidates to use during their preparation time
- check that the recording equipment is working properly
- write the syllabus number, centre number and your name on the working mark sheet. Complete the boxes at the top of the working mark sheet with the correct details about your centre and the exam.

You must **NOT** share the topics of the topic conversations with candidates before their test.

You must **NOT** share the topics of the topic conversations with the candidates during their preparation time.

Note: if more than one teacher/examiner is marking the Cambridge IGCSE Italian speaking tests at the centre, you must all agree the approach and standard of marking before conducting the first test. Please read the factsheet about internal moderation, which can be found on the samples database at www.cambridgeinternational.org/samples

On the day of the speaking test

Before each candidate's test

You must:

- 1 make sure that the candidate is supervised under exam conditions during the preparation time. Note that the exam conditions must be maintained until the test is complete
- 2 select a candidate card using the randomisation instructions on pages 15–16
- 3 give the candidate card to the candidate in the preparation room
- 4 tell the candidate that they have 10 minutes to prepare
- 5 tell the candidate to write their name and candidate number on any notes
- 6 collect any notes that the candidate has made **before** the speaking test starts. The candidate must **not** have access to them during the speaking test. The notes must be retained by the teacher/examiner and then stored securely at the centre until after certificates have been issued
- 7 find the correct role play questions and topic conversation scripts in this instruction booklet for the candidate you are about to examine
- 8 enter the candidate's number, their name, the candidate card number and topic conversation numbers on the working mark sheet.

During each candidate's test

- 9 If the candidate has made any notes on an additional piece of paper, they must give these to the teacher/examiner before the speaking test starts. The candidate must **not** have access to them during the speaking test.
- 10 You must only conduct each test **once**.
- 11 At the start of the test, press 'record' on the recording equipment.
- 12 **Once the recording has started, you must not stop or pause the recording at any point during the test.**
- 13 Say your name, the candidate's number, the candidate's name, the candidate card number and the date. For example:

 'Teacher/examiner name: *Joe Bloggs*
 Candidate number: *0031*
 Candidate name: *Anita Cheng*
 Candidate card number: *3*
 Date: *[the date on which the test is conducted]*'
- 14 Start the timer or look at a clock to note the start time of the test. You should monitor the timing for each part of the test (role play: approximately 2 minutes, topic conversation 1: 4 minutes and topic conversation 2: 4 minutes); you may want to restart the timer for each part.

From this point onwards, all parts of the test must be conducted in Italian.

Role play

- 15 Greet the candidate using the prompts provided. This is **not** assessed.
- 16 Set the scene for the role play by reading out the role play scenario **exactly as it is printed** in this instruction booklet (except for when selecting a gender for the examiner role).
- 17 Ask the first role play question **exactly as it is printed**. When there is a **[PAUSE]** in the script, let the candidate answer first and then ask the second question provided after the pause unless the candidate has already clearly addressed the second question in their answer to the first question. In this instance, you do not need to ask the second question as it could be confusing for the candidate.
 Note: you **can** repeat any role play question **once** if the candidate did not hear, has not understood, or has given an ambiguous response. However, you **must not** rephrase any questions, use extension questions, or ask questions of your own during the role play. If the candidate still cannot answer the question after you have repeated it, move on to the next task.
- 18 Listen to the candidate's answer. Remember that brief answers, as long as they complete the task fully, can be awarded two marks.
- 19 Assess the candidate's answer using the role play mark scheme and enter the mark on the working mark sheet (WMS). When you are awarding marks, start at the bottom band and work upwards. Find the band which best fits the candidate's response. Then award the mark for that band. The purpose of the role play is to communicate an appropriate response to each task. A short response to a task, if it communicates fully and is correct, is worth 2 marks.

- 20 Repeat the process described above in points 17–19 for each role play question, until you have asked **all** of the role play questions.
- 21 When the role play is complete, tell the candidate that the role play has finished and that it is time to start the topic conversations.

Remember, you cannot stop or pause the recording during a test.

Topic conversation 1

- 22 Go to the correct topic conversation in this instruction booklet as per the randomisation grid on pages 15–16.
- 23 Say to the candidate in Italian: ‘First we are going to talk about [name of the first topic]’.
- 24 Ask each question **exactly as it is printed**. You must ask **all five** questions in the order shown. When there is a **[PAUSE]** in the script, let the candidate answer first and then ask the second question provided after the pause unless the candidate has already clearly addressed the second question in their answer to the first question. In this instance, you do not need to ask the second question as it could be confusing for the candidate.
- 25 Listen carefully to and acknowledge the candidate’s answer to each question.
- 26 If the candidate does not answer a question, or answers very briefly and you think that they could give a fuller response, follow the instructions in the table below. You can encourage fuller responses by asking extension questions such as ‘Tell me more about ...’, ‘What else can you tell me about ...?’, ‘Is there anything else you want to say about ...?’.

3, 4 and 5	Repeat the question once	Ask the alternative question(s) provided (and repeat it once if necessary)	Ask the next question

There are definitions of alternative, extension and further questions in the glossary on page 10.

Topic conversation 2

- 27 Go to the correct topic conversation in this instructions booklet as per the randomisation grid on pages 15–16.
- 28 Say to the candidate in Italian: ‘Now we are going to talk about [name of the second topic]’.
- 29 Ask each question **exactly as it is printed**. You must ask **all five** questions in the order shown. When there is a [PAUSE] in the script, let the candidate answer first and then ask the second question provided after the pause unless the candidate has already clearly addressed the second question in their answer to the first question. In this instance, you do not need to ask the second question as it could be confusing for the candidate.
- 30 Listen carefully to and acknowledge the candidate’s answer to each question.
- 31 If the candidate does not answer a question, or answers very briefly and you think that they could give a fuller response, follow the instructions in the table below. You can encourage fuller responses by asking extension questions such as ‘Tell me more about ...’, ‘What else can you tell me about ...?’, ‘Is there anything else you want to say about ...?’.

There are definitions of alternative, extension and further questions in the glossary on page 10.

- 32 When **both** topic conversations have been completed, award a mark out of 15 for Communication and a mark out of 15 for Quality of Language using the tables in the mark scheme.
- 33 Enter the mark for Communication and the mark for Quality of Language on the working mark sheet.

After each candidate's speaking test

- 34 Take the candidate card from the candidate. The candidate must **not** take the candidate card with them when they leave the examination room.
- 35 Make sure that you have completed all parts of the working mark sheet for the candidate.
- 36 Check that the test has been recorded and can be heard clearly. If there is a problem with the recording, follow the instructions in the *Cambridge Handbook* about failed recordings.
- 37 You must keep any additional pieces of paper with candidate notes on. They must have the candidate's name and number on them. The notes must be kept securely until after certificates have been issued.

After completing all of the speaking tests at the centre

- Store any candidate notes securely and destroy only when certificates have been issued.
- Add up the marks for each candidate on the working mark sheet (WMS) and enter the total mark in the appropriate column. Check all additions carefully.
- If more than one teacher/examiner is marking the Cambridge IGCSE Italian speaking tests at the centre, you must make arrangements to internally moderate all of the teachers'/examiners' marking so that all candidates are assessed to a common standard. You can find further information about the process of internal moderation on the samples database at **www.cambridgeinternational.org/samples**
- You must write the internally moderated marks for all candidates on the working mark sheet(s) and submit these marks to Cambridge International according to the instructions set out in the *Cambridge Handbook* and on the samples database at **www.cambridgeinternational.org/samples**
- The centre must submit a sample of candidates' speaking test recordings to Cambridge International for external moderation. Please check the requirements for the centre on the samples database at **www.cambridgeinternational.org/samples**
- Each recorded file in the sample must be clearly named using the correct naming convention provided in the *Submit for Assessment Admin Guide*. This can be found on the samples database at **www.cambridgeinternational.org/samples**

Glossary

In certain cases, you may need to use alternative, extension and further questions.

Using alternative questions

An **alternative question** tests the same task and language area as the first version of the question set by Cambridge in Questions 3–5 of a topic conversation. The language of an alternative question is easier than the first set question and has been set by Cambridge to make the question more accessible. The aim of an alternative question is to give candidates more support in understanding the set task, if required, and to enable them to access the available marks.

The topic conversations each have five set questions. You must read these exactly as printed. In the interest of fairness to all candidates, you must **not** paraphrase the set questions in your own words as this changes the nature and difficulty of the set task. You should read the first set question in Questions 3–5 and, if the candidate does not understand or gives an ambiguous response, the first set question should be repeated. If the candidate still cannot answer, you should then use the alternative question and repeat it once if necessary. You must not go straight to the alternative question before reading the first set question. If you need to use the alternative question, do not tell the candidate you are using the alternative question as this can be confusing for them. Do not use the alternative questions on a topic as extension questions.

Using extension questions

Extension questions may be asked during a topic conversation when candidates answer too briefly and it is clear that they might not be saying enough to fill the time of 4 minutes for a topic. The aim of an extension question is to invite candidates to say more, develop their answers and work for the available marks during the 4 minutes. This is especially important during Questions 3–5 on the topics.

The extension question must be worded carefully so that the teacher/examiner does not give or suggest vocabulary, structures or ideas to the candidate. You should use neutral wordings in the language being tested, such as:

‘Tell me more about ...’

‘What else can you tell me about ...?’

‘Is there anything else you want to say about ...?’

Extension questions can be asked on both the first and second topics.

Using further questions

Up to two **further questions** of your choice may be asked at the end of the five set questions on a topic conversation if timings are shorter than 3½ minutes to make sure the conversation lasts 4 minutes. The two questions must be on the same topic as the one being tested. Do not ask more than two further questions even if timings are short.

You should carefully consider the ability of the candidate and differentiate the difficulty of further questions accordingly. Further questions such as ‘Where did you go on holiday last year?’ may be suitable for weaker candidates but do not offer the possibility of development to more able candidates. In such a case, a more open question such as ‘What did you enjoy doing last year on holiday?’ would be more suitable and would give them the chance to say more. In your preparation time before the tests, you should familiarise yourself with the scripts and think of possible questions which you could use on each of the set topics for the session. Your further questions should not duplicate the content of the five Cambridge set questions. Do not use the alternative questions on a topic as your

own further questions on the same topic as this can lead to repetition of material. Try to vary further questions between candidates according to their individual ability.

Mark schemes

The marks for each part of the test are shown below.

part of test	marks available	maximum mark
Role play	2 marks per response	10
Topic conversations 1 and 2 together	15 marks for Communication	15
Topic conversations 1 and 2 together	15 marks for Quality of Language	15
TOTAL MARK		40

Marking should be positive and reward achievement.

Role play mark scheme

- Apply the mark scheme separately for each response.
- Up to two marks are available per response.
- Brief answers, if appropriate and which complete the task(s) fully, can be awarded two marks.
- When you are awarding marks, start at the bottom band and work upwards. Find the band which best fits the candidate's performance.

Topic conversation mark schemes

When you are awarding marks, start at the bottom band and work upwards. Find the band which best fits the candidate's performance. Then use the following guidance to decide on the mark to award, where applicable:

- If the candidate's work **convincingly** meets the level statement, award the highest mark.
- If the candidate's work **adequately** meets the level statement, award the most appropriate mark in the middle of the range (where middle marks are available).
- If the candidate's work **just** meets the level statement, award the lowest mark.

Randomisation instructions

Each candidate must be allocated one of six candidate cards. The candidate card gives information for the role play and reminds candidates that the test will contain two topic conversations. There are corresponding teacher/examiner scripts for each candidate card.

The candidate cards and topics for conversation should be allocated to candidates in sequence as shown in the table below.

- If you are conducting more than 30 tests in a day, return to the beginning of the sequence after the 30th candidate.
- If you are conducting tests on more than one day, you should continue the sequence as shown in the table. For example, if you conduct 20 tests on the first day, you should start the second day from row 21 of the table.

Allocate cards and topics to candidates in sequence, as follows:
