Step 8 – Click **Export Individual Reports** to export question-level results in CSV or PDF format.

Accessing the Digital Mocks Service application

Please note all images shown are examples.

- You can access reports in the **Digital Mocks Service** application accessed via **My Cambridge**.
- Access **My Cambridge** at <https://sso.cambridge.org/login> and log in to your account using your registered email address and password.

For centres in China, please refer to the appendix [here](#) for how to access the Digital Mocks Service application.

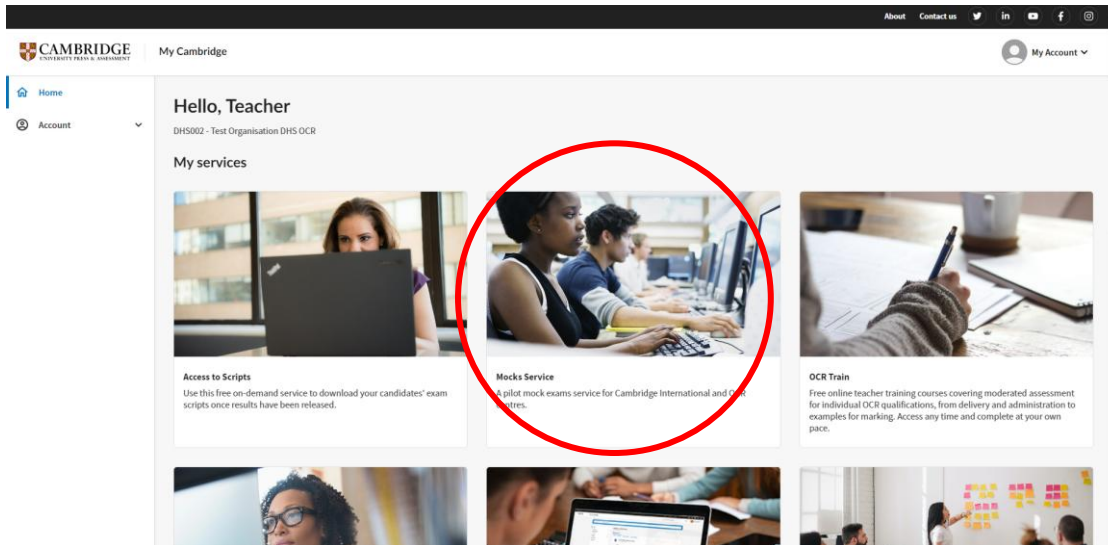

- If you are a new My Cambridge user you will have received a separate email from us with details of how to create your account.
- Do not use the 'Create new account' button as it will not be linked to your centre.
- If you have not received an email from us, first check your spam folder and then contact your exams officer.

The screenshot shows the 'Sign in' page for My Cambridge. At the top, it features the Cambridge University Press & Assessment logo. Below the logo, the heading 'Sign in' is followed by the instruction 'To continue, please sign in to My Cambridge.' There are two input fields: 'Email address' and 'Password'. A link for 'Forgotten password?' is located below the password field. A blue 'Sign in' button is positioned to the right of the password field. Below this, the text 'Or, sign in with:' is followed by five buttons: Facebook, Google, Apple, Microsoft, and Staff account. At the bottom, there is a link 'Don't have an account?' and a blue 'Create new account' button.

Accessing reports (continued)

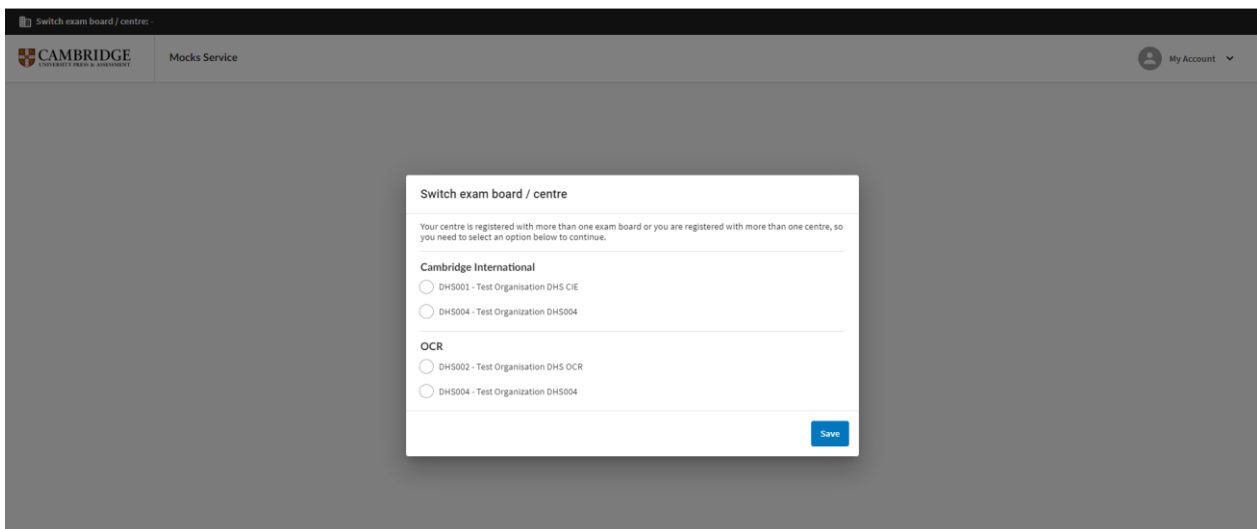

On your **My Cambridge** Home page select the **Mocks Service** tile by clicking on it.

Selecting centres

When you click on the **Mocks Service** tile in **My Cambridge** it will open the **Digital Mocks Service** application.

If your centre is registered with more than one exam board or you are registered with more than one centre, you will need to select which centre and exam board you want to book. Click **Save** to continue and open the Home page.

Accessing reports (continued)

You can switch to a different exam board or centre from the Home page by selecting the centre name in the top-left corner of the screen.

The **Mock exam results** shortcut will be active (no longer greyed out) in the left-hand menu.

To view the results, select **Mock exam results** from the left-hand menu or the **Open mock exam results** next steps button. You will be taken to the **Mock exam results** page.

If results are not available, **Mock exam results** on the side bar menu will remain greyed out.

- If Cambridge examiners will mark the exams, we will release results in the Digital Mocks Service application within 14 days from the end of the session (exam window).
- If the exam will be auto-marked, results will usually be available within hours.

Accessing reports (continued)

The screenshot shows the 'Mocks Service' dashboard for Cambridge International. The left sidebar has 'Mock exam bookings' and 'Mock exam results' highlighted with red boxes. The main content area displays 'Active Series' with four cards: 'MOCK CI September 2024', 'CI Oct 2024', 'CI July 2024', and 'UAT Phase 3.3'. Each card shows booking dates, exam start/end dates, and an 'Active' status.

On the **Mock exam results** page each row represents a booking for a particular mock exam.

It shows the qualification, the name of the mock exam, the window it was booked in, the number of students in the booking, the number of students with results available and the number with another status.

You can sort any column by clicking on its header (ascending – arrow up, descending – arrow down).

The screenshot shows the 'Mock exam results' page. A table lists various mock exams with columns for Qualification, Mock exam, Mock exam window, Students, Available results, and Other status. Red boxes highlight the 'Mock exam', 'Students', and 'Available results' headers, and the '0452 Accounting Paper 1' entry in the 'Mock exam' and 'Mock exam window' columns.

Qualification ↑	Mock exam ↑	Mock exam window ↑	Students ↑	Available results ↑	Other status ↑

The **Attempt status** of a mock exam can be:

- **Pending** – the mock exam has not yet been completed in digital exam platform Master.
- **Marking** – the mock exam has been completed in digital exam platform Master and marking is in progress.
- **Marked** – marking is complete and the results are available to view.

The results can be viewed on screen; alternatively, you can download a CSV or PDF report of the overall results.

- To download the overall results report, click **Export overall report**.
- Select either CSV or PDF format.

Depending on the settings in your browser, the PDF or CSV files generated will be downloaded to your default download location.

You can then open them in the default applications for these file formats.

Accessing reports (continued)

The filename of the PDF or CSV files generated is an amalgamation of the following:

- **mocks** – prefix indicating a mocks results report
- **booking ID** – the booking ID the report relates to, allowing you to correlate back to the original booking
- **overall results** – the type of report
- **centre number** – your centre number
- **mock exam name** – the mock exam name.

Here is an example of the overall results report for the mock exam booking in PDF format.

The report lists each student with the marks achieved out of marks available and the percentage mark they achieved for the exam.

CI July 2024 series

Mock exam name: 0452 Accounting Paper 1

Question level results report

To access the question level results report for each student, click the candidate number on the **Overall results** page.

The screenshot shows the 'Overall results' page for a student. The breadcrumb trail is 'Home (CI July 2024) > Mock exam results > Overall results'. The page title is '0452 Accounting Paper 1' for 'Cambridge IGCSE | 29-Jul-2024 - 04-Aug-2024'. A table lists student results:

<input type="checkbox"/>	Candidate no. ↑	Name ↑	Attempt status ↑	Mark achieved ↑	% achieved ↑
<input type="checkbox"/>	0002	Kaylani Colby	Marked	6 / 35	17%
<input type="checkbox"/>	0001	Navneet Adam	Marked	9 / 35	26%

For the student selected, the **Question level results** screen shows a breakdown of marks for each question in their mock exam. The data shown here may differ depending on the exam type.

In the example below for a multiple-choice test, you will see the question number, the student answer, the correct response and the marks achieved out of marks available.

You can export the question level results in CSV or PDF format. Select the **Export Individual Reports** button in the top-right corner and then choose the CSV or PDF option.

The screenshot shows the 'Question level results' page for a student. The breadcrumb trail is 'Home (CI July 2024) > Mock exam results > Overall results > Question level results'. The page title is '0034 - Joss Stacy' for 'Cambridge IGCSE | 0452 Accounting Paper 1 | 01-Oct-2024 - 23-Oct-2024'. A table lists question details:

Question No. ↑	Topics ↑	Student answer ↑	Correct answer ↑	Mark achieved ↑
Q1	The fundamentals of accounting	A	C	0 / 1
Q2	The fundamentals of accounting	D	D	1 / 1
Q3	Sources and recording of data	A	B	0 / 1
Q4	Sources and recording of data	B	B	1 / 1
Q5	Sources and recording of data	B	A	0 / 1
Q6	Sources and recording of data	D	D	1 / 1
Q7	Sources and recording of data	D	B	0 / 1

Note: The student's response is displayed if it is in plain text or is a multiple-choice question. Responses to other question types cannot be presented on the question level results page.

Accessing reports (continued)

In this case, you will see **Click here to view student response**. Click the link and the student's response will open in a new browser tab in digital exam platform Master.

Once you have viewed the student's response you can close the browser tab.

Where the student's responses cannot be presented on the question level results page they will not show in the PDF or CSV file exports either. Instead, you will see:

For this question the student response cannot be displayed in the Student response column.

The exported question level results report for each student lists the question number, the response given for each question, the marks achieved and the marks available.

There are three types of report depending on the exam taken.
