

Cambridge IGCSE (9-1) candidate grades November 2025

Cumulative world totals grades 9 - 1

These figures may differ from those of previous November series. This is because there have been some substantial changes in the profile of candidates entered. Also, the awarding standard was adjusted from November 2020 to November 2022 in response to the Covid pandemic. The awarding standard returned to the pre-Covid standard in November 2023.

We offer two different grade sets to report candidates' performance in a number of Cambridge IGCSE syllabuses for schools in administrative zone 3, and in UAE and Oman. The 9-1 syllabuses and corresponding examinations included in this document are identical to their equivalent A*-G graded syllabuses.
