Note: The whole contents list is interactive not just the page number.

This timetable contains a full list of all tests for the March 2027 series. This is the final version of the timetable. Please note there may be some changes from the provisional timetable. You can view the timetable by week or by syllabus.

Any time for candidates to read through question papers and to study maps etc. is already included in the total time shown in the timetable. You must not allow any additional time.

## Planning your timetable

Tests must be taken on the date as shown on this timetable. You can decide when in the day your candidates take the test, you do not need to tell us.

If you need to run more than one sitting of a test on the same day, you must apply using Preparation – Form 8 found at [www.cambridgeinternational.org/forms](http://www.cambridgeinternational.org/forms)

You must apply for additional sittings 4 weeks before the test. You must keep groups of candidates separate from each other using our Full Centre Supervision regulations until all candidates have taken the test.

If a candidate misses a test, you cannot run the test on a different day.

See section 1.2.5 of the *Cambridge Handbook*.

## Communicating timetable arrangements to candidates

You are responsible for making sure candidates know:

- The start and finish time for each test
- Any necessary supervision arrangements
- Any updates to the timetable

Any updates to this timetable will be published on the timetables page of the Cambridge International website ([www.cambridgeinternational.org/timetables](http://www.cambridgeinternational.org/timetables)), and will be shared with you in our monthly Cambridge Exams Officer eNewsletter. Visit [www.cambridgeinternational.org/examsOfficers](http://www.cambridgeinternational.org/examsOfficers) to find out more about this important resource.

Visit the 'Timetables' section of Cambridge International Direct (<https://direct.cie.org.uk>) to download the exam dates in .csv format or download a timetable which only includes the exams you have made entries for.

## Timetable clashes and deviations

Please study the final timetable and identify any potential timetable clashes. You should wait until you have submitted your entries and received your timetable clash report before applying for a timetable deviation. For further details about timetable clashes and applying for a timetable deviation please see section 1 of the *Cambridge Handbook*.
