Syllabus grade thresholds

Syllabus grade thresholds for syllabus 9898 (French Language and Literature) in the June 2026 exam series. Syllabus grade thresholds are the minimum marks required for each grade. They are determined from the weighted component thresholds for the listed components.

Some Cambridge International entry options offer more than one possible route to a grade. Where this is the case, candidates are awarded the best grade available to them based on the combination of components they have taken.

Note for regions that receive percentage uniform marks (PUMs):

Percentage uniform marks are provided for Cambridge IGCSE, Cambridge O Level and Cambridge International AS & A Level subjects (excluding IGCSE 9-1). They are an additional piece of information provided on the Statements of Results for each candidate. This mark is not the same as the raw or component mark achieved and cannot be used with the grade thresholds documentation.

See our guide to [percentage uniform marks](#) which gives an explanation of what percentage uniform marks are and states the percentage uniform mark range (thresholds).
