Note for regions that receive percentage uniform marks (PUMs):

Percentage uniform marks are provided for Cambridge IGCSE, Cambridge O Level and Cambridge International AS & A Level subjects (excluding IGCSE 9-1). They are an additional piece of information provided on the Statements of Results for each candidate. This mark is not the same as the raw or component mark achieved and cannot be used with the grade thresholds documentation.

See our guide to [percentage uniform marks](#) which gives an explanation of what percentage uniform marks are and states the percentage uniform mark range (thresholds).
