

Comments on the exam

We are interested in comments on all aspects of the exam, including written papers, internal assessments, practicals, orals and administration. All comments we receive are passed on to the relevant subject team, but we will not acknowledge or respond to comments individually.

If your comments are about the performance of a specific candidate or group of candidates in the exam, submit an [enquiry about results](#) after we release results.

If you would like us to respond to your concerns as a formal complaint, contact us after you have received your results.

Please use a separate form for each syllabus you want to comment on.
