

Priority Results Information

This form is valid for the November 2018 series **only**. It is for Cambridge Assessment International Education candidates who need us to send a provisional statement of results directly to a chosen educational institution on the day results are released, and before certificates are issued. The form can be completed by the candidate or the centre where the candidate took the exam(s).

The results release date may vary depending on the country in which the exams were sat. Statements of results are produced using the name given for the candidate at the time of their exam.

There is no need to submit this form for candidates applying to UK universities because we send all our candidate results to the Universities and Colleges Admissions Service (UCAS) in time to meet the required university deadlines.

If you require a certifying statement for a past exam series, please apply at www.cambridgeinternational.org/certstat. If a candidate needs both a certifying statement from a past exam series and priority results information for the November 2018 series, they must apply for the certifying statement at www.cambridgeinternational.org/certstat and the priority results information using this form. Please do not apply for both services using this form.
