This guidance is for centres who have followed the school-assessed grade route to a grade in Cambridge IGCSE<sup>™</sup>, Cambridge O Level and Cambridge International AS & A Level qualifications.

## **Centre Reviews**

If a student, parent or legal guardian has concerns about the school-assessed grade that has been awarded, you must start by conducting a Centre Review. You can find more information about this process in our Centre Review guidance document.

We recommend that you plan to have staff available immediately after the publication of results in order to conduct these Centre Reviews. This is so that we can work together to help students progress to the next stage of their educational journey as quickly as possible.

The actions that you may need to take after the completion of a Centre Review are summarised in the table below.

| Situation  | Action   |
|--|--|
| You decide that the school-assessed grade was not correct.   | Submit a request for <b>Post-results check Service 1</b> by 26<br>February 2022 and tell us the revised grade for the student.   |
| You believe that the school-assessed grade was correct,<br>and this is understood and accepted by the student, parent<br>or legal guardian.  | You do not need to take any further action.<br>You do not need to tell us if a Centre Review<br>has taken place.   |
| You decide that the school-assessed grade was not correct.<br>The school's new grade is still disputed by the student,<br>parent or legal guardian.  | Submit a request for a <b>Post-result check Service 1</b> by<br>26 February 2022 and tell us your revised grade for the<br>student. Once this has been completed, you can then<br>submit either a Post-results check Service 2 or a Special<br>Enquiry appeal, depending on the nature of the student,<br>parent or legal guardian's remaining concerns. |
| The school's judgement about the student's performance<br>and school-assessed grade is disputed by the student, parent<br>or legal guardian.   | Submit a request for <b>Post-results check Service 2</b> by 26 February 2022.  |
| You believe that the school-assessed grade was correct, but<br>the student, parent or legal guardian still disputes the choice<br>of evidence, or your decisions in relation to special<br>consideration or access arrangements. | Submit a request for a <b>Special Enquiry appeal</b> by 26 February 2022.  |
