

Change to the format of Cambridge IGCSE Literature (English) 0486 mark schemes from 2017

There is a change to the format of the mark schemes for examination from 2017. The band descriptors have been reworded for clarity and the bands inverted (highest: band 8; lowest band 0). The method and standard of assessment is unchanged. New specimen mark schemes are available for examination from 2017.

There will be **no** change to the format of the question papers and the specimen question papers remain appropriate for examination from 2015 onwards (including 2017 and 2018).
