This Reading Booklet Insert contains the reading passages for use with Section 1, Question 1 on the Question Paper.

You may annotate this Reading Booklet Insert and use the blank spaces for planning. This Reading Booklet Insert is not assessed by the Examiner.
Read the two passages carefully, and then answer Question 1 on the Question Paper.

Fact file: Home-schooling

- The most common reason for choosing home-schooling is that parents are not satisfied with local schools.
- Many home-schooled children are allowed to sit exams or participate in clubs and social activities in a local school.
- Research shows that home-schooled children consistently outperform school-educated children at all academic levels.
- A significantly higher proportion of home-schooled students, compared to school students, go on to university.
- Many universities claim that they do not discriminate against home-schooled students.
In this magazine article, a university student describes the experience of being home schooled.

My School was my Home! by Fleur Britten

I don’t have a single GCSE or A level, but I’m in my third year at University, studying law. I was home university.
